

RURAL PLAN FOR DAIRY FARMERS

DAIRYPOL

Product Disclosure Statement

Good people to know.

How the Rural Plan works

Date of preparation: 20 February 2009

About the insurer and WFI

The insurer for this Rural Plan is Wesfarmers General Insurance Limited (ABN 24 000 036 279) ("WGIL") whose contact details are:

Telephone: 1300 934 934

Post: Locked Bag 1,
Bassendean DC WA 6942

WGIL is an Australian Financial Services Licensee (AFSL No. 241461) authorised to issue, vary and cancel general insurance products and provide general financial product advice in relation to general insurance.

WFI is a trading name of WGIL.

WFI can be contacted on 1300 934 934 or via email at info@wfi.com.au.

The Rural Plan consists of 16 different policies You can choose from, covering a wide range of risks.

This approach gives You great flexibility as You can arrange Your insurance to meet Your particular needs.

It also means that if Your circumstances change and You need more extensive insurance, it is easy for You to add another of the policies to Your Plan.

Insurance against liability for workers' compensation is compulsory for employers throughout Australia. Apart from the Domestic workers policy (which We only offer in Western Australia), this Plan does not insure Your liability for workers' compensation. Nor does it include insurance cover for a range of other risks You might want to insure or protect Yourself against. You need to determine whether this is the case and make sure You are appropriately protected.

Understanding the significant features and benefits

To properly understand the significant features and benefits of each of the policies, You need to:

Our words

To make sure You can readily understand Your rights and obligations, We have written this Rural Plan in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' (which apply to all policies), and in Our 'Special definitions' found at the end of each policy (which apply only to words used in that particular policy). This does not apply to headings. All of the other words in this Plan have the meanings set out in the Macquarie Dictionary (current edition) so that You can easily find out what they mean.

Applying for insurance cover

To apply for insurance cover, You must complete Our Proposal. When You do so, You must comply with Your duty of disclosure which We tell You about on page 6. It is also important You understand how We manage Your personal information which We tell You about in Our 'Privacy' information on page 7.

When We receive Your completed Proposal, We will:

- identify the policies You want and matters particular to them (e.g. the property You want to cover, the limits You may want for certain covers, any excesses that may apply and any variations required to the standard terms).

We pay up to the sum insured or other limits specified in relation to the policies and their covers. It is important that You make sure these amounts suit Your needs. If You do not do this some of Your loss might not be insured.

- identify the Period of Insurance during which Your policies will operate.
- inform You what policies We are able to offer You and the total premium You need to pay for Your policies (see 'The cost of Your insurance' on this page).

The above details are recorded in the certificate of insurance We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. You should keep the certificate of insurance and the policy documents in a safe place.

The agreement between You and Us

We only provide You with insurance under those policies for which We issue You with a certificate of insurance and only for the Period of Insurance shown on the certificate of insurance. The insurance provided under any of Our policies is also subject to Our General conditions and General exclusions, together with provisions shown on the certificate of insurance issued to You.

Subject to what We tell You on this page about excesses, if a provision shown on the certificate of insurance is inconsistent with a provision contained in the policy to which it relates then, to the extent of the inconsistency, the provision shown on the certificate of insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance cover We ask You to provide information about Your personal risk situation relevant to each policy, such as:

- the type of property being insured and its size, construction, use and where it is located;
- the type(s) and amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional); and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium (e.g. lower sums insured, higher excesses or low claims experience). If You have any queries about this You can ask Us when You apply for cover.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your policy(s). We show the amounts on Your certificate of insurance.

Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the policy Our estimate of the amount We

will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can obtain further information on Our website www.wfi.com.au.

We tell You when You apply for insurance how and when the premium (i.e. total amount payable) needs to be paid. It is a term of Your policy that You pay the premium to Us by the time required by Us.

Excess (Your contribution)

An excess is the first part of any claim on a policy which You must pay. The amount We must pay under the policy is reduced by the amount of the excess. You only have to pay an excess if it is mentioned in the policy You have taken out or shown on the certificate of insurance.

Where the amount of an excess for an event mentioned in a policy is different to the amount of an excess shown on the certificate of insurance for that same event for the same policy, You must pay the higher excess.

Except in the case of Our motor vehicle policy, You only have to pay one excess on claims You make under a number of policies in this Rural Plan that arise out of the one event, being the highest one payable under the policies.

Example of a one event excess

An event happens that damages Your home, furniture and carpets, the expensive digital camera specified under Your personal valuables policy and Your car. If, for example, the certificate of insurance shows an excess for that event of:

- \$100 on Your Classic home policy;
- \$75 on Your Personal valuables policy;
- \$400 on Your Motor vehicle policy; and

You claim for all damage, You are only required to pay an excess of \$400 because that excess is the highest one of all the policies and because all of the damage arose out of the one event.

Example of when more than one excess will apply

Under Our Motor vehicle policy, You are required to pay more than one excess in the circumstances mentioned in the policy. We refer you to pages 69 and 70 of this policy where We tell you more about the different excesses that apply.

The driver of Your comprehensively insured car is 20 years of age and involved in an at fault accident which causes damage to Your car. If, for example, the certificate of insurance for Your motor vehicle policy covering the car shows an excess of \$400 and an excess of \$700 for young drivers 19-20 years of age, then Your excess is \$1,100.

Sometimes We introduce or increase an existing excess on renewal of a policy. This might be done on an individual person's policy or those covering risks at certain locations or over all locations. We generally do this because of rising claim numbers and costs and to minimise any increase in premium that would otherwise be required to cover those rising claim numbers and costs.

We show the new excess on the certificate of insurance that We issue to You confirming cover.

Your duty of disclosure

What You must tell Us before We issue a policy to You for the first time

Before considering whether to issue a policy to You, We need Your answers to the questions set out in Our Proposal. When answering the questions in Our Proposal, You must be honest and You have a duty under law to tell Us everything known to You and which a reasonable person in the circumstances would include in answer to the questions.

We will use the answers in deciding whether to insure You and anyone else to be insured under the policy and if so, on what terms.

What You must tell Us before We renew, vary, extend, replace or reinstate Your policy

In these situations, We do not typically ask You to complete a Proposal.

When You ask Us to renew, vary, extend, replace or reinstate Your policy, You must tell Us before We do so about every matter known to You, which You know or a reasonable person in the circumstances could be expected to know, is relevant to Our decision whether to insure You and if so, on what terms. At the very least, if something has changed since the policy was first issued and You would now answer any of the questions set out in the original Proposal differently, then You must tell Us about the change.

What You do not need to tell Us

When applying for a policy for the first time or for Your policy to be renewed,

varied, extended, replaced or reinstated, You do not need to tell Us about any matter that:

- diminishes Our risk
- is of common knowledge
- We know, or in the ordinary course of Our business as an insurer, ought to know
- We tell You in writing We do not need to know.

Who needs to tell Us

Everyone who is shown on the certificate of insurance as an insured must comply with the duty of disclosure. If You provide information on behalf of another insured, it is as if they provided that information to Us.

What happens if an insured does not comply with the duty of disclosure

If an insured does not comply with the duty, We may reduce or refuse to pay a claim, or cancel the policy. If fraud is involved, We may treat the policy as if it never came into existence and accordingly pay nothing for any claim You may otherwise have had on the policy.

If You are not sure whether or not to tell Us something, it is best to tell Us.

Utmost good faith

The law requires each of us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

The policies in this Plan are governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

GST on claims

The sums insured, limits of indemnity and other limits in Your policy are inclusive of any GST that may be payable. This means You must take GST into account when determining the appropriate amounts You want to insure for.

If We arrange to replace, repair or reinstate an item which is the subject of a claim, We will pay the cost to replace, repair or reinstate inclusive of GST. However, We will not replace, reinstate or repair an item where the cost to do so will exceed the amount

of the relevant sum insured, limit of indemnity or other limit in Your policy for the item.

If We settle Your claim by making a payment to You, We will reduce the amount of Our payment by the amount of any input tax credits to which You would be entitled if You made an acquisition to repair or replace the item which is the subject of the claim. However, the actual amount We pay You will not exceed the amount of the relevant sum insured, limit of indemnity or other limit in Your policy for the item.

If You register or are registered for GST You are required to tell Us Your entitlement to an input tax credit on Your premium.

If You do not disclose or if You understate Your entitlement, You may be liable for GST on settlement of the claim. The policies do not cover You for this GST liability or for any fine, penalty or charge for which You may be liable.

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured property

To help Us to process any claim You may have, make sure You keep a record or evidence of ownership, value and detailed description of any insured property in a safe place. We also recommend You keep Your valuations up to date.

Changing the terms of a policy

You may ask Us to change a term of Your policy. If We agree, We confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You can exercise a cooling-off right by notifying Us in writing within 14 days of receiving the certificate of insurance that You want to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will fully refund the premium You paid to Us.

When You can cancel

You can cancel a policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

However, if You have made a claim or are entitled to make one under the policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You.

We do not refund premium if the certificate of insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the Commonwealth Insurance Contracts Act 1984. We give You a notice in writing.

If We cancel, We refund the premium less an amount to cover the period for which You were insured.

Code of Practice

We have adopted the General Insurance Code of Practice developed by the Insurance Council of Australia. The Code is a self regulatory code for general insurers in Australia. We embrace the objectives of the Code to raise standards of practice and service in the general insurance industry.

Farm loss of income policy

This policy insures You against Your reduction in Gross Income as a direct consequence of physical damage to Farm Property or death of Livestock.

We calculate Your entitlements under the policy in accordance with the formula shown in the policy.

You only have this policy if:

- You have selected Our Farm property damage policy or Our Farm general property policy; and*
- the risk shown on the certificate of insurance is 'Farm loss of income'.*

The General conditions on page 8 and the General exclusions on page 9 apply to this policy. The General definitions on pages 10 and 11 apply to words used in this policy.

What You are insured against

This policy insures You against reduction of Gross Income to the Farm Business as a direct consequence of:

- physical damage to Farm Property at the Farm Premises during the Period of Insurance, but only if:
 - We have paid a claim for that damage under Our Farm property damage policy or Our Farm general property policy; or
 - that damage is to a motor vehicle You insure under Our Motor vehicle policy for ‘Farm Use’ with ‘Comprehensive, fire theft and legal liability’ or ‘Fire and theft only’ cover and We would have paid a claim for it under Our Farm property damage policy if You had insured the vehicle under that policy
- death of Livestock during the Period of Insurance, but only if:
 - We have paid a claim for the death of the Livestock under Our Farm property damage policy
 - We have paid a claim for the death of the Livestock under Our Livestock policy (which is not contained in this Plan)
 - the Livestock was agisted at the Farm Premises when it died and We would have paid a claim for its death under Our Farm property damage policy if You had owned the Livestock and insured it under Our Farm property damage policy in this Plan.

You are only insured under this policy if the reduction of Gross Income arising out of the one event is \$1,500 or more.

What is not insured

This policy does not insure You against:

1 any reduction of Gross Income which occurs after:

- You formally decide to close or discontinue the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
- a receiver or liquidator is appointed to carry on the Farm Business or that part of the Farm Business directly affected by the damage to

Farm Property or death of Livestock which gave rise to the claim under this policy

- the commencement of the winding up of the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
- 12 months following the date on which the damage to Farm Property or the death of the Livestock occurred

2 any loss You suffer as a result of breach of contract

3 loss of the amount You would have received if You had sold (or sold at a higher price) the Farm Property which was damaged or the Livestock which died.

This policy insures You against the financial consequence of damage to Farm Property or death of Livestock. It does not insure You against the damage to Farm Property or the death of Livestock.

For example, if a cow dies, this policy will insure You for the Gross Income You would have received from the milk produced by the cow if it had not died. It does not insure You for the market price of the cow which died.

What We pay

We pay the amount shown on the certificate of insurance for ‘Loss of Gross Income’ or the amount resulting from application of the following formula, whichever is less.

A minus **B** minus **C**, where:

- **A** is the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, not exceeding the sum insured for ‘Loss of Gross Income’ shown on the certificate of insurance; and
- **B** is the Gross Income which the Farm Business actually received after the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy; and
- **C** is the amount of the costs the Farm Business did not incur, but that it probably would have incurred for the sole purpose of earning Gross Income, if not for the

damage to Farm Property or death of Livestock which gave rise to the claim under this policy. *For example, these costs include the cost of feed You might have bought and fed to Livestock if they had not died, for the purpose of earning income from the sale of milk.*

In calculating the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, We will have regard to the experience of the Farm Business for a 12 month period leading up to the damage to Farm Property or death of Livestock (if the Farm Business has been operating for that amount of time).

If the Farm Business is conducted in discrete parts and the trading results for the part affected by the damage to Farm Property or the death of Livestock can be reasonably easily determined, the formula will apply separately to each part affected by the damage to Farm Property or the death of Livestock.

We also pay for:

- additional expenditure reasonably incurred by the Farm Business for the sole purpose of avoiding or diminishing the reduction in Gross Income as a result of the damage to Farm Property or the death of Livestock, but only up to the amount of the insured loss of Gross Income thereby avoided; and
- the reasonable cost charged by Your accountant to perform work to satisfy Us of the amount of the reduction in Gross Income, but only up to the sum insured for ‘Accountant fees’ shown on the certificate of insurance.

We only pay:

- a claim under this policy to the extent that You cannot claim the reduction in Gross Income under an additional benefit in Our Farm property damage policy
- the amount that would have been payable had You repaired, replaced or reinstated Farm Property or replaced Livestock within a reasonable period
- up to the sum insured for ‘Loss of Gross Income’ shown on the certificate of insurance as a consequence of all damage to Farm Property or death of Livestock during the Period of Insurance.

Additional benefit

Suppliers' and customers' premises

We treat damage to property in Australia at:

- Your suppliers' premises; or
- Your customers' premises,

as if it was damage to Farm Property at the Farm Premises.

We only pay a claim for this benefit if:

- 'Suppliers and customers premises' is shown on the certificate of insurance; and
- We would have paid a claim for the damage to the property if it had been insured under Our farm property damage policy.

Special condition

The types of cover We offer

We offer insurance cover for:

What You are insured against

This policy insures You against accidental damage, burglary and theft occurring during the Period of Insurance.

You have insurance for:

- Your Home if 'Building' is shown on the certificate of insurance
- Contents if 'Contents' is shown on the certificate of insurance.

You are only insured for 'Contents' when they are in the area described under 'when covered' in the table that follows on pages 45 and 46.

We only pay these costs if they are reasonable and We have approved them before You incur them.

Inflation protection

We may automatically increase the sum insured shown on the certificate of insurance for 'Building' having regard to data in the 'Reed Construction Data's

Cordell Building Cost Guide' when We:

- apply the sum insured relevant to a claim for a total loss; and
- offer renewal terms. We will base the renewal premium on any increased sum insured.

We will automatically increase the sum insured shown on the certificate of insurance for 'Contents' on the following basis:

- if You have a claim for a total loss, We multiply the proportion of the sum insured which the expired term of the Period of insurance bears to 365 days by 3%
- when We offer renewal terms, We automatically increase the sum insured shown for 'Contents' by 3% if the Period of insurance is for 365 days. Where the Period of Insurance is less than 365 days We only increase the sum insured every 365th day you are insured with Us under this policy or a renewed policy. We will base the renewal premium on the increased sum insured.

What is not insured

This policy does not insure You against Your legal liability:

- 1 for common law damages if You are required by law to be insured against that liability under another policy of insurance; or**
- 2 to a worker employed by You in Your business, trade or profession.**

If You employ a worker in Your own business, trade or profession, We suggest You speak to Us about taking out an 'Employers' Indemnity policy' to insure You against Your liability to that worker for workers' compensation benefits and common law damages.

What We pay

We pay up to \$50,000,000 for Your legal liability to any one or more Domestic Workers arising out of the one event or series of events. This includes legal costs in defending an action by a Domestic Worker against You which You incur with Our written consent.

Special definitions of words used in this policy

Domestic Worker means a natural person permanently employed by You to do work in or about Your home, but only if Your home is at the location shown on the certificate of insurance.

Domestic Worker does not include a person who is a Member of Your Family living with You at the location shown on the certificate of insurance unless You give Us written notice before the Injury of:

- his or her name; and
- the nature of the employment; and
- the wages You estimate You will pay to him or her during the Period of Insurance.

Section 1: what You are insured for if Your Vehicle is damaged or stolen

Comprehensive cover

If 'Comprehensive' is shown on the certificate of insurance and Your Vehicle is accidentally damaged or stolen while in Australia during the Period of Insurance, We may at Our option:

- repair it or pay You the reasonable cost of repairs at the time of the damage or theft; or
- pay You the sum insured for Your Vehicle if it is a total loss and 'Private Use' and 'Agreed Value' are shown on the certificate of insurance; or
- pay You the Retail Cost (excluding registration and insurance) at the time that it was damaged or stolen if Your Vehicle is a total loss and 'Private Use' and 'Retail Cost' are shown on the certificate of insurance; or
- pay You the lesser of the sum insured for Your Vehicle and Retail Cost (excluding registration and insurance) at the time that it was damaged or stolen if Your Vehicle is a total loss and 'Farm Use' or 'Business Use' are shown on the certificate of insurance.

Fire theft and legal liability and fire and theft only

If 'Fire theft and legal liability' or 'Fire and theft only' are shown on the certificate of insurance and Your Vehicle is accidentally damaged by fire, damaged by a thief or stolen while in Australia during the Period of Insurance, We may at Our option:

- repair it or pay You the reasonable cost of repairs; or
- pay You the lesser of the sum insured and Retail Cost (excluding registration and insurance) at the time that it was damaged or stolen if Your Vehicle is a total loss.

New vehicle

We replace Your Vehicle with a new vehicle of a similar make and model or at Our option, pay You what it would cost to do so if:

- We consider that Your Vehicle is a total loss as a result of an insured event; and
- 'Private Use' and 'Comprehensive' are shown on the certificate of insurance; and

- Your vehicle is within 2 years of the date of its original registration and it was new or a demonstration model when You purchased it; and
- the odometer reading is 35,000 kilometres or less at the time of the total loss; and
- the agreed value (if 'Agreed Value' is shown on the certificate of insurance) is at least 80% of what it would cost to buy the new vehicle (excluding registration and insurance).

If We pay You the cost of a new vehicle, We:

- calculate the amount We pay as if the vehicle is readily available locally
- do not include in the cost of the new vehicle registration, insurance or stamp duty.

If 'Agreed Value' is shown on the certificate of insurance and that agreed value is:

- more than what it would cost to buy the new vehicle; or
- less than 80% of what it would cost to buy the new vehicle,

then We will pay You the agreed value.

Please speak to Us if You want to insure tools which are not normally offered for sale with Your type of vehicle.

Our repair policy

We do not operate a 'Network Smash Repairer Scheme'. We may refer You to a preferred repairer, but only if We are satisfied that they are suitable and competent to complete the repairs. We authorise the use of genuine parts wherever available. Recycled parts are only used where necessary given the age and condition of Your vehicle. A repairer might sub let repairs if the nature of repairs requires an expertise in a different discipline. If We authorise any repair work to Your Vehicle and it is not of an appropriate standard, We will arrange rectification of that work on Your behalf.

Parts

We do not pay for an international freight charge or an amount exceeding the manufacturer's list price for any part unless the charge or amount is incurred with Our prior consent.

Total loss

If We consider that Your Vehicle is a total loss as a result of an accident or theft, We are entitled to claim the wreck if We pay at least the Retail Cost

or the agreed value if 'Agreed Value' is shown on the certificate of insurance.

We regard Your Vehicle as a total loss if:

- the cost of repairs plus salvage value equals or exceeds the sum insured or Retail Cost; or
- it is not found within 2 weeks of Your reporting it as stolen to the police.

Additional benefits – Private Use with 'Comprehensive' cover

AAA rating bonus

We give You 'AAA' rating when You have insured Your Vehicle with Us under a comprehensive cover for at least 2 consecutive years on a full no-claim bonus and You have not made a claim for theft or an accident involving that vehicle or a replacement vehicle where You are at fault.

If You have 'AAA' rating for Your Vehicle, You keep Your entitlement to a no-claim bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault.

In addition, We pay up to \$1,000 in total for accommodation, transport and vehicle hire costs if Your Vehicle becomes unusable as a result of accidental damage or theft during the Period of Insurance.

We only pay the reasonable:

- cost You incur to obtain transport to Your home or Your destination or to alternative accommodation

insure the replacement vehicle from its date of purchase until the end of that Period of Insurance if:

- You tell Us within 14 days of buying the replacement vehicle; and

 - \$50,000 for a caravan; and
- You pay the additional premium and accept any additional terms We require.

Hire costs

If Your Vehicle is stolen during the Period of Insurance, We pay up to \$1,000 towards the reasonable hire costs You incur for a temporary replacement vehicle of a similar type for up to 14 days or the date Your Vehicle is recovered in a useable and roadworthy condition, whichever is earlier. We do not pay for fuel, running costs or other charges.

Insurance of a hired or borrowed vehicle

If Your Vehicle is stolen or damaged and We have paid or agreed to pay a claim for it under this policy, We also insure a vehicle that You hire or borrow as a temporary replacement for up to 14 days against accidental damage or theft. We only pay a claim in respect of that vehicle if We would have paid a claim under this policy if it had been Your Vehicle. We pay any claim:

- on the same terms and conditions as We would for Your Vehicle; and
- up to the 'Agreed Value' shown on the certificate of insurance or the Retail Cost (excluding registration and insurance) of Your Vehicle at the time of the loss or damage, if 'Retail Cost' is shown on the certificate of insurance.

Please speak to Us if the value of the hired or borrowed vehicle is greater than Your Vehicle and You want to discuss taking out additional insurance.

Personal property

We pay up to \$500 for Your personal property contained in the boot or cab of Your Vehicle if during the Period of Insurance it is:

- stolen – but only if Your Vehicle was securely locked at the time of the theft; or

- accidentally damaged by fire, collision or overturning of Your Vehicle.

We do not pay for loss of or damage to:

- Money; or

This benefit is otherwise subject to the terms of this policy.

Additional benefits – all uses with 'Comprehensive' cover

You have these additional benefits if 'Comprehensive' is shown on the certificate of insurance for Your Vehicle.

Emergency repairs and towing

If We have paid or agreed to pay a claim for damage to Your Vehicle, We also pay up to \$5,000 towards the reasonable cost You incur to have:

- Your Vehicle towed from the place at which it was damaged to the nearest safe or secure place; and
- emergency repairs carried out on Your Vehicle to make it safe and roadworthy,

as a result of that damage.

General average/salvage costs

This policy is extended to insure You for general average or salvage which You are charged for a loss occurring during the Period of Insurance in relation to a ship transporting Your Vehicle by sea within Australia.

No fault bonus

You do not have to pay an excess on a claim and You do not lose Your no-claim bonus if Your Vehicle is accidentally damaged and in Our opinion the driver of Your Vehicle was not at fault and You provide Us with the registration number of the other vehicle and the name and address of its owner or driver.

Recovery costs

If Your Vehicle is stolen during the Period of Insurance and recovered

within 2 weeks of it being stolen, We pay up to \$500 towards the cost of returning Your Vehicle to the place where You usually keep it.

Depending on Your circumstances, We may offer to reduce Your premium if You take reduced insurance cover for accidental damage to Your Vehicle as described in this benefit. You only have this benefit if We offer You this benefit and You accept Our offer.

If Named drivers only' is shown on the certificate of insurance, You are not

insured for accidental damage to Your Vehicle unless the person who was driving or in charge of Your Vehicle when the damage occurred:

- is named on the certificate of insurance as a 'Regular driver' or 'Additional driver' of Your Vehicle
- was not at fault
- was driving Your Vehicle to seek emergency medical treatment for a person in Your Vehicle
- was driving Your Vehicle in connection with repairing, servicing or testing it for reward.

This benefit is otherwise subject to the terms of this policy.

You are only entitled to this benefit if:

- Your 'no claim bonus' is at least 60% and You do not yet have AAA rating bonus; and

You are only insured if the damage is directly caused by:

- fire, explosion, lightning, earthquake, riot or civil commotion, vandalism or thieves; or

- Personal Injury
- Damage to Property

directly caused by Your Vehicle or the use of Your Vehicle and arising out of an Occurrence that happened in Australia during the Period of Insurance.

- could not readily see the underground service or underground property and was not aware (and could not reasonably have been aware) of the exact location of the underground service or underground property

For example, Telstra advise that they are a member of the 'Dial Before You Dig' service which enables people to find out about various underground services in the area in which they intend to dig. We will rely on this exclusion if You damage a Telstra or other underground service without having utilised the 'Dial Before You Dig' service to check the location of underground services.

5 for Personal Injury if Your Vehicle is registered or the person making the claim on this policy is required by law to be insured against that liability under another policy of insurance

What We pay for legal liability

Additional benefits for legal liability

Damage to Your Vehicle by an uninsured vehicle

If Your Vehicle is in an accident with another vehicle during the Period of Insurance, We will pay for the damage to Your Vehicle and the cost of towing Your Vehicle to the nearest safe or secure place.

We pay this benefit only if:

- 'Fire theft and legal liability' or 'Legal liability' together with 'Private Use' are shown on the certificate of insurance for Your Vehicle; and
- in Our opinion, the driver of Your Vehicle was not to blame for the accident and You supply Us with the registration number of the other vehicle and the name and address of its owner or driver; and

Other vehicles

We treat a vehicle You do not own but which is in Your legal possession, custody or control as Your Vehicle if You are using it as a temporary replacement for Your Vehicle because Your Vehicle is not in a useable condition at the time.

attached to or towing a vehicle from one place to another or directly caused by the loading or unloading of those Dangerous Goods and arising out of an Occurrence that happens in Australia during the Period of Insurance.

This benefit does not insure You for Your liability for Personal Injury if the vehicle is registered or You are required by law to be insured against that liability under another policy of insurance.

We pay up to \$2,500,000 or the amount shown on the certificate of insurance for 'Dangerous goods' (whichever is greater), for all claims arising out of the one Occurrence or series of Occurrences.

This policy is extended to insure Your employer or principal against their legal liability directly caused by Your use of Your Vehicle for their business.

You do not have this benefit if Your Vehicle belongs to Your employer or principal.

We only pay this benefit if We agree to indemnify You against Your legal liability incurred while You are using Your Vehicle for their business.

This benefit is otherwise subject to the terms of this policy.

occurring during the Period of Insurance.

- a motor that falls from the hull
- the bottom treatment or paintwork of Your Boat
- moorings

2 damage directly caused by:

- structural failure
- mechanical, electrical, electronic or hydraulic breakdown
- wear, tear, corrosion, rust or gradual deterioration
- vermin, insects or borers
- marine growth

3 damage directly or indirectly caused by or arising out of a fault in Your Boat of which You were aware or of which You ought reasonably to have been aware at the time of the damage

4 theft by any Person:

- insured by this policy
- for whose debt Your Boat is security under any agreement entered into by a Person insured by this policy.

Please also refer to the information on page 75, 'When You are insured under sections 1 and 2 of this policy' and 'When You are not insured under sections 1 and 2 of this policy'.

What We pay if Your Boat is damaged or stolen

If Your Boat is damaged or stolen, We may at Our option:

- repair or replace it; or
- pay You the reasonable cost to repair or replace it at the time of the damage or theft.

We pay up to the Retail Cost as New or the sum insured shown on the certificate of insurance, whichever is less.

We also pay You up to 50% of the sum insured for the hull for the total of:

- any expense You reasonably incur to avoid or limit a loss, damage or Salvage Charges
- Salvage Charges You incur.

We do not pay for an international freight charge or an amount exceeding the manufacturer's list price for a part unless the charge or price is incurred with Our consent.

Total loss

If We consider Your Boat is a total loss, We pay:

- the Retail Cost as New if it is less than 3 years old from the date of manufacture and the sum insured shown on the certificate of insurance is at least 80% of the Retail Cost as New; or
- the Retail Cost or the sum insured shown on the certificate of insurance if Your Boat is 3 years or older from the date of manufacture, whichever is less.

We are entitled to claim the wreck if We pay at least the Retail Cost.

We regard Your Boat as a total loss if the cost of repairs plus salvage value equals or exceeds the sum insured or Retail Cost or it is not found within 2 weeks of Your reporting it as stolen to the police.

When You are deciding on a sum insured for the hull, remember that it needs to be enough to cover the permanent attachments to the hull.

Additional benefits

Automatic cover for a replacement boat

If You replace Your Boat with a similar boat during the Period of Insurance, this policy will insure the replacement boat for 14 days from the date of purchase if:

- You buy the replacement boat within 30 days of selling or disposing of Your Boat; and
- the replacement boat costs no more than double the Retail Cost of Your Boat at the time You sold or disposed of it (excluding registration costs and insurance).

This benefit is otherwise subject to the terms of this policy.

Clean up costs

We pay up to \$20,000 towards the reasonable costs You incur to clean up oil, diesel, petroleum products, effluent or sewerage accidentally released or discharged from Your Boat for all claims arising out of the one event, if the clean up occurs:

- during the Period of Insurance; and
- within 24 hours of the accidental release or discharge.

This benefit is in addition to the sum insured.

Equipment and accessories

If an item of 'Equipment and accessories' is shown on the certificate of insurance, the item specified is insured against:

- accidental damage directly caused by Your Boat being stranded or sunk, catching on fire, or colliding with any external object
- theft if Your Boat is stolen and the item is on or in Your Boat at the time
- theft following forcible entry to Your Boat or the building where it is kept (but only if Your Boat or building is locked),

occurring during the Period of Insurance.

We pay the Retail Cost as New, or the sum insured shown on the certificate of insurance for the damaged or stolen item, whichever is less.

If 'Equipment and accessories' is not shown on the certificate of insurance, We pay up to \$500 for all claims for any item or items of equipment or

accessories damaged or stolen as a result of the one event.

We only pay a claim for an item of equipment and accessories not shown on the certificate of insurance if We would have paid the claim if the item had been shown on the certificate of insurance.

Stranding

If Your Boat is stranded during the Period of Insurance, We pay up to \$1,000 for an expense You reasonably incur to inspect the hull, even if no damage is found.

Towing

If We have paid or agreed to pay a claim for damage to Your Boat, We pay the reasonable cost You incur to have Your Boat towed from the area in which it was damaged (on land or at sea), to the nearest safe or secure place.

We pay up to \$500 for all towing costs arising out of damage to Your Boat during the Period of Insurance.

Your Personal Effects

We pay up to \$200 any one item of Personal Effects and up to \$2,000 for all claims relating to all Personal Effects arising out of the one event during the Period of Insurance.

- an attempt to raise, remove or destroy the wreck of Your Boat, or any negligent failure by You to do so,

directly caused by Your Boat or the use of Your Boat and arising out of an Occurrence that happened during the Period of Insurance.

What Your legal liability insurance does not insure against

Section 2 of this policy does not insure You against a liability:

- 1 pursuant to or in connection with an agreement in which the Person making the claim on this policy expressly takes on a legal liability which would not have been imposed if that agreement had not been made**
- 2 directly or indirectly caused by or arising out of a seeping, polluting or contaminating substance, including a cost to clean up or remove the substance**
- 3 for the cost to remove subsurface oil, gas or any similar substance or property of another Person consequent on damage directly caused by Your Boat**
- 4 for the cost of a search, location, recovery, salvage or similar action by a sea or air rescue or recovery service**
- 5 for damage to property belonging to You or in Your possession, custody or control**
- 6 for Personal Injury to:**
 - You or anyone living permanently with You or an Employee or Your agent, contractor or subcontractor
 - a person driving or in charge of Your Boat or acting as an observer on it
 - a person driving or in charge of the vehicle towing Your Boat
 - a member of the crew of Your Boat (whether a volunteer or not)
 - a person while kite-skiing, paragliding or engaging in any other

airborne activity while being towed by Your Boat (unless the death or injury occurs to a person while on Your Boat)

- a person while waterskiing from Your Boat unless 'Waterskiing' is shown on the certificate of insurance

7 for Personal Injury if the Person making the claim on this policy is required by law to be insured against that liability under another policy of insurance.

You are only insured when Your Boat is:

- afloat on an inland body of water, harbour, estuary, waters within the Great Barrier Reef, and coastal waters of Australia up to 50 kms from shore
- laid up on shore in Australia

1 You are not insured when Your Boat:

- does not have a license required by law
- is unsafe or unseaworthy
- is being used in, or is being prepared for, an experiment, test, stunt, pacemaking, reliability trial, speed test, or competition
- is being used in, or is being prepared for, racing unless 'Racing' is shown on the certificate of insurance
- is being let, hired or chartered
- is being driven or piloted by or in the charge of a person, or is being towed by a vehicle which is being driven by or in the charge of a person who
 - does not have a licence or ticket required by law
 - is under the influence of alcohol or a drug
 - has more than the legal limit of alcohol or a drug in their blood; or
 - subsequently refused to undergo a legal test for the amount of alcohol or drug in their blood in

connection with their driving, towing, operating or being in charge of Your boat or the vehicle.

If You were not the driver or the person piloting or in charge of Your Boat at the time of the loss, damage or Occurrence, We will not rely on the exclusion in this bullet point if You can satisfy Us that at the time of the loss, damage or Occurrence You did not know, and could not reasonably have known, that the driver or person operating or in charge of Your Boat:

- * *did not have the required licence; or*
- * *was or might be under the influence of alcohol or a drug.*

What We pay for legal liability

We pay up to the limit shown on the certificate of insurance for 'Legal liability limit of indemnity'. We pay up to this amount for all claims (including all costs and expenses) arising out of the one Occurrence or series of Occurrences.
