Our words

To make sure that You can readily understand Your rights and obligations We have written this document in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' which apply to words used in this document. This does not apply to headings. All of the other words in this document have the meanings set out in the Macquarie Dictionary (current edition), so that You can easily find out what they mean.

Applying for insurance cover

To apply for insurance cover, You must complete Our Proposal. When You do so, You must comply with Your duty of disclosure which We tell You about on this page. It is also important You understand how We manage Your personal information which We tell You about in Our Privacy information on page 6.

When We receive Your completed Proposal, We will consider the information You provide and inform You whether We are able to offer You insurance cover and the total premium You need to pay for Your policy if We do (see 'The cost of Your insurance' on this page).

Details regarding the cover and the Period of Insurance during which the policy will operate are recorded in the certificate of insurance We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. We suggest You keep the certificate of insurance and all policy documents in a safe place.

The agreement between You and Us

We only provide You with insurance under a policy for which We issue You with a certificate of insurance and only for the Period of Insurance shown on the certificate of insurance. The insurance is also subject to Our General conditions together with provisions shown on the certificate of insurance issued to You.

If a provision shown on the certificate of insurance is inconsistent with a provision contained in this policy then, to the extent of the inconsistency, the provision shown on the certificate of insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance We ask You to provide information about Your personal risk situation relevant to the policy such as:

- the type of cover You require e.g. whether You want to insure Your Livestock or Farm Property or both;
- the amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional);
- the number of Transits during the Period of insurance and the destinations of the Transits; and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium payable (e.g. lower sums insured, higher excesses or low claims experience).

If You have any queries about this You can ask Us when You apply for insurance.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges or taxes (e.g. Stamp Duty and GST) in relation to Your policy. We show the amounts on the certificate of insurance.

We tell You when You apply for insurance cover how and when the premium (i.e. total amount payable) needs to be paid. It is a term of Your policy that You pay the premium to Us by the time required by Us.

Excess (Your contribution)

An excess is the amount which You will be required to contribute to any claim on a policy. The amount We must pay under the policy is reduced by the amount of the excess. You will only be required to pay an excess if it is mentioned in the policy or shown on the certificate of insurance.

Sometimes We introduce or increase an excess on renewal of a policy. We generally do this because of rising claim numbers and costs and to minimise any increase in

premium that would otherwise be required to cover those rising claim numbers and costs.

We show the new excess on the certificate of insurance that We issue to You confirming cover.

Your duty of disclosure

Before You enter into an insurance contract, You have a duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- reduces the risk We insure You for; or
- is common knowledge; or
- We know or should know as an insurer; or
- We waive Your duty to tell Us about.

If You do not tell Us something

If You do not tell Us anything You are required to, We may cancel Your contract if We would not have issued You cover or reduce the amount We will pay You if You make a claim and Your non-disclosure causes or contributes to the claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

The course of action We take when You fail to tell Us these things will be considered in each circumstance based on what impact or effect Your failure caused or contributed to a claim or Our decision to issue Your Policy.

Utmost good faith

The law requires each of us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

This policy is governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

GST on claims

The sums insured, limits of indemnity and other limits in Your policy are inclusive of any GST that may be payable. This means You must take GST into account when determining the appropriate amounts, You want to insure for.

If We settle Your claim by making a payment to You, We will reduce the amount of Our payment by the amount of any input tax credit to which You would be entitled if You made an acquisition to replace the Livestock or Farm Property which is the subject of the claim. However, the actual amount We pay You will not exceed the amount of the relevant sum insured, limit of indemnity or other limit in Your policy for the Livestock or Farm Property.

If You register or are registered for GST You are required to tell Us Your entitlement to an input tax credit on Your premium.

If You do not disclose or if You understate Your entitlement, You may be liable for GST on settlement of the claim. This policy does not insure You for this GST liability or for any fine, penalty or charge for which You may be liable.

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured property

To help Us to process any claim You may have, You should take reasonable steps to keep a record or evidence of ownership, value and detailed description of all Livestock and Farm Property. This includes contracts of sale, valuations, receipts, credit card and bank statements, instruction manuals or photographs. Failure to take reasonable steps to keep a record or evidence of ownership, value and detailed description of all Livestock and Farm Property may result in a reduction or denial of Your claim.

Changing the terms of a policy

You may ask Us to change a term of Your policy. If We agree, We confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You can exercise a cooling-off right by notifying Us in writing within 21 days of receiving the certificate of insurance that You want to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will fully refund the premium You paid to Us.

When You can cancel

You can cancel a policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers Our risk for the value, number of transits and geographical destinations undertaken during the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

However, if You have made a claim or are entitled to make one under the policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You.

We do not refund premium if the certificate of insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the *Insurance Contracts Act 1984* (Cth). We give You a notice in writing.

If We cancel, We refund the premium less an amount to cover the period for which You were insured.

If You do not provide such notification

before the happening of an event giving rise to a claim under this policy then, subject to the Insurance Contracts Act, 1984, We may refuse to pay a claim, either in whole or in part. The course of action We take when You fail to provide such notification will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your policy

If You are making a claim, You can contact Your local WFI Area Manager or Client Service Team for assistance.

What We may do

If We pay a claim, We have the right to proceed in Your name against any Person responsible for the death of the Livestock or the damage to Farm Property. We take this action at Our own expense. You must not do anything which limits Our right to do so.

What can affect Your entitlements

We may decline or reduce the amount of any claim under this policy for loss, damage or liability, or refuse to indemnify You, if You enter, or have entered (even before this contract of insurance) into an agreement, release or undertaking which excludes or limits Our right to recover damages or a contribution from any third party who would otherwise be liable to compensate You with respect to such loss, damage or liability unless such agreement, release, or undertaking has been allowed in this policy or by specific mention in Your certificate of insurance.

If You do not do what You are obliged to do under Your policy and such failure to comply with Your policy contributes to the loss, damage or liability, We may refuse to pay a claim or any part of it.

Where You make a claim in relation to an item which forms part of a pair or set, We will –

- pay the value of that one item, and We will not pay more than the value of that lost, destroyed, or damaged item as a proportion of the combined pair or set; and
- if the entire pair or set is completely inoperable because of the loss or damage to a single item which cannot be replaced (or a single replacement item does not complete the pair or set to make it operational – for example hearing aids) We will either pay You the cost to replace the entire pair or set or replace the entire pair or set.
