

Supplementary Product Disclosure Statement

SPDS Edition 1

This Supplementary Product Disclosure Statement (SPDS) is dated 15 January 2021 and will apply to all **WFI Office Plan Product Disclosure Statement and Policies** version WFIOPLPDS 06 0521 (PDS) taken out with a new business effective date on or after 9 July 2021, or with a renewal effective date on or after 9 July 2021.

The information in this SPDS updates and should be read with the PDS and any other applicable SPDS.

Changes to Your PDS

Your PDS is amended by the following:

Change 1: Calculating Your premium

Your PDS is amended by inserting the following new paragraph in 'The cost of Your insurance' section on page 7 within the 'Important information' section of the PDS:

Your premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amount We are prepared to sell the policy for and may adjust Your premium to ensure it does not fall below the minimum amount. Any discounts will be applied to Your policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year's premium amount.

Change 2 – Replacement of the ‘electronic data, cyber, e-commerce’ general exclusion

Your PDS is amended by deleting clause ‘4 electronic data, cyber, e-commerce’ on page 15 within the ‘General exclusions’ section and replacing it with the following:

4 cyber, data

- any:
 - Cyber Loss, except that subject to all the terms, conditions, limitations and exclusions of this policy or any endorsement thereto, this policy covers Damage to Property insured and any Time Element Loss directly resulting therefrom where such Damage to Property is directly caused by the following perils if otherwise covered under the policy:
 - theft or burglary;
 - Storm, windstorm, hail, tornado, cyclone, hurricane;
 - fire, lightning or explosion;
 - earthquake, volcanic eruption or tsunami;
 - Flood, freeze or weight of snow;
 - aircraft impact or vehicle impact or falling objects;
 - water damage;
 - a change in temperature affecting refrigerated goods; or
 - machinery or electronic breakdown, including collapse or explosion of pressure equipment, which directly results from a Cyber Incident, unless that Cyber Incident is caused by, contributed to by, resulting from, arising out of or in connection with a Cyber Act including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any Cyber Act; or
 - loss, damage, liability, claim, cost, expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any Data, including any amount pertaining to the value of such Data.

Provided however that subject to all the terms, conditions, limitations and exclusions of this policy or any endorsement thereto, should Data Processing Media owned or operated by You suffer physical loss or physical damage insured by this policy, then this policy will cover the cost to repair or replace the Data Processing Media itself plus the costs of copying the Data from back up or from originals of a previous generation. These costs will not include research and engineering nor any costs of recreating, gathering or assembling the Data. If such media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank Data Processing Media. However, this policy excludes any amount pertaining to the value of such Data, to You or any other party, even if such Data cannot be recreated, gathered or assembled.

This exclusion does not apply to Business legal liability policy, Motor vehicle policy - Section 2: the insurance for legal liability or Pleasure boat policy - Section 2: the insurance for legal liability.

This exclusion clause supersedes and, if in conflict with any other wording in the policy or any endorsement thereto having a bearing on Cyber Loss, Data or Data Processing Media, replaces that wording.

Change 3 – Inclusion of Communicable Diseases general exclusion

Your PDS is amended by inserting the following additional exclusion within the ‘General exclusions’ section commencing on page 15:

Provided that this exclusion will not apply to Damage to Property insured under Business property policy caused by the following perils, subject to all other provisions of the policy:

fire, lightning, thunderbolt, aircraft or other aerial devices or articles dropped therefrom, earthquake, tsunami, subterranean fire, volcanic eruption, Storm, tempest, rainwater, snow, sleet, wind, hail, water, liquids or substances discharged, overflowing or leaking from fixed apparatus, fixed appliances, fixed pipes or other systems, riots, civil commotions, strikes or locked out workers or persons taking part in labour disturbances, explosion, impact by vehicles, animals or trees or branches of trees, communication masts, towers, antennae, satellite dishes, watercraft, meteorites, or theft of Data solely where such theft is accompanied by theft of the computer hardware, firmware, medium, microchip, integrated circuit or similar device containing such Data.

For the avoidance of doubt “actual or alleged loss, Personal Injury, Damage to Property, loss of income, liability, cost, expense or any other amounts” includes any cost to clean up, decontaminate, disinfect, remove, replace, monitor and/or test for such diseases, conditions or circumstances described in this exclusion.

This exclusion does not apply to Business legal liability policy, Motor vehicle policy - Section 2: the insurance for legal liability or Pleasure boat policy - Section 2: the insurance for legal liability.

Your PDS is amended by inserting the following additional exclusion within the 'General exclusions' section commencing on page 15:

10 pandemic or epidemic

- any claim arising directly or indirectly out of, caused by, contributed to by, or in connection with any:
 - disease determined to be a 'listed human disease' or in respect of which a 'human biosecurity emergency' is declared under the Biosecurity Act 2015 (Cth) including any amendment, replacement, re-enactment, successor, equivalent or similar legislation including delegated legislation; or
 - outbreak of infectious disease declared as a pandemic or epidemic by the World Health Organisation or any Australian government or Australian government agency; or
 - disease determined by the World Health Organisation to be a Public Health Emergency of International Concern (PHEIC).

This exclusion does not apply to Business property policy, Business interruption policy, General property policy, Machinery breakdown policy, Electronic equipment policy, Motor vehicle policy - Section 1: what You are insured for if Your Vehicle is damaged or stolen, Pleasure boat policy - Section 1: the insurance against Accidental damage or theft of Your Boat or Personal accident and illness policy.

For the purpose of this exclusion only, the following definition applies:

Electronic Data means facts, concepts and information converted to a form useable for communications, display, distribution, interpretation or processing by electronic and electromechanical data processing or electronically controlled equipment and includes programmes, software and other coded instructions for such equipment.

This exclusion does not apply to Business property policy, Business interruption policy, General property policy, Machinery breakdown policy, Electronic equipment policy, Motor vehicle policy - Section 1: what You are insured for if Your Vehicle is damaged or stolen, Pleasure boat policy - Section 1: the insurance against Accidental damage or theft of Your Boat or Personal accident and illness policy.

WFI is an Australian Financial Services Licensee (AFSL No. 227681) authorised to issue, vary and cancel general insurance products and provide general financial product advice in relation to general insurance.

The Office Plan consists of nine different policies You can choose from, covering a wide range of risks.

This approach gives You great flexibility as You can arrange Your insurance to meet Your particular needs.

It also means that if Your circumstances change and You need more extensive insurance, it is easy for You to add another of the policies to Your Plan.

Insurance against liability for workers' compensation is compulsory for employers throughout Australia.

This Plan does not contain a policy that insures You for Your liability for workers' compensation, nor does it include insurance cover for a range of other risks You might want to insure or protect Yourself against. You need to determine whether this is the case and make sure You are appropriately protected.

Any advice We or Our representatives provide is general advice only and does not take into account Your personal objectives, financial circumstances or needs. Before You decide to acquire any of the policies, You should carefully consider the appropriateness of the policies having regard to Your objectives, financial situation and needs.

Understanding the significant features and benefits

To properly understand the significant features and benefits of each of the policies, You need to:

- read the:
 - Important information (pages 6 to 12)
 - General conditions (pages 13 and 14)
 - General exclusions (page 15)
 - General definitions (pages 16 and 17)which apply to all policies; and
- read the policy wording – it tells You:
 - what the policy insures
 - what the policy does not insure
 - what We pay for a claim
 - any additional benefits We provide
 - any optional benefits We offer
 - any special conditions We apply
 - any special meanings We apply to words used in that policy.

There is an index on the front of each of the policies for easy reference.

Our words

To make sure You can readily understand Your rights and obligations, We have written this Plan in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' (which apply to all policies), and in Our 'Special definitions' found at the end of each policy (which apply only to words used in that particular policy). Where a word is defined in both the 'General definitions' and in the 'Special definitions', the 'Special definitions' meaning will take precedence for that policy only.

Words capitalised in headings do not have definitions.

All of the other words in this Plan have the meanings set out in the Macquarie Dictionary (current edition) so that You can easily find out what they mean.

A reference to the singular includes the plural and vice versa, unless the context otherwise requires.

Applying for insurance cover

You must apply to Us for insurance cover and meet Our relevant eligibility criteria before cover will be provided. It is also important You understand how We manage Your personal information which We tell You about in Our 'Privacy' information on pages 11 and 12.

Where We have agreed to issue You with insurance, We will:

- identify the policies You want and matters particular to them (e.g. the property You want to cover, the limits You may want for certain covers, any excesses that may apply and any variations required to the standard terms).

We pay up to the sum insured or other limits specified in relation to the policies and their covers. It is important that You make sure these amounts suit Your needs. If You do not do this some of Your loss might not be insured.

- identify the Period of Insurance during which Your policies will operate.
- inform You what policies We are able to offer You and the total premium You need to pay for Your policies (see 'The cost of Your insurance' on this page).

The above details are recorded in the Certificate of Insurance We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. You should keep the Certificate of Insurance and the policy documents in a safe place.

The agreement between You and Us

We only provide You with insurance under those policies for which We issue You with a Certificate of Insurance and only for the Period of Insurance shown on the Certificate of Insurance. The insurance provided under any of Our policies is also subject to Our General conditions and General exclusions, together with provisions shown on the Certificate of Insurance issued to You.

Subject to what We tell You on page 8 about excesses, if a provision shown on the Certificate of Insurance is inconsistent with a provision contained in the policy to which it relates then, to the extent of the inconsistency, the provision shown on the Certificate of Insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance cover We ask You to provide information about Your personal risk situation relevant to each policy, such as:

- the type of property being insured and its size, construction, use and where it is located; and
- the type(s) and amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional); and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium (e.g. lower sums insured, higher excesses or a low claims experience). If You have any queries about this You can ask Us when You apply for cover.

If You pay for Your policy by instalments, Your total premium will be higher than if You pay annually.

Your premium, including any discounts You may be eligible for, are subject to minimum and maximum premiums. We consider the minimum and maximum amounts We are prepared to sell the policy for and may adjust Your premium to ensure it does not fall outside that range. Any discounts will be applied to Your policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year's premium amount.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your policy(ies). We show the amounts on Your Certificate of Insurance.

Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can obtain further information on Our website www.wfi.com.au.

You can pay the premium annually or by instalment each month, quarter or half-year in advance. When You apply for insurance We tell You how and when the premium needs to be paid. It is a term of Your policy that You pay the premium to Us by the times required by Us.

The following examples are only a guide as to how an excess or excesses might be calculated in any particular set of circumstances. The amount(s) of the excess(es) in the examples are for ease of calculation. Read the policies and Your Certificate of Insurance for the amount(s) of the excess(es) in Your circumstance.

Example of a one event excess

An event happens that damages an item insured under Your Business property policy and also damages an item insured under Your General property policy. The Certificate of Insurance shows an excess for that event of:

- \$100 on Your Business property policy; and
- \$75 on Your General property policy.

You claim for all damage. You are only required to pay one excess of \$100 because that excess is the highest one of the policies and all of the damage arose out of the one event.

Example of when more than one excess will apply

Under the Motor vehicle policy, You are required to pay more than one excess in the circumstances mentioned in the policy. We refer You to page 52 of this Plan where We tell You more about the different excesses that apply.

The driver of Your comprehensively insured car is 20 years of age and involved in an at fault Accident which causes damage to Your car. The Certificate of Insurance for Your Motor vehicle policy covering the car shows an excess of \$400 and an excess of \$700 for young drivers 19–20 years of age. You are therefore required to pay an excess of \$1,100, being the excess of \$400 plus the excess of \$700 as the person driving, operating or in charge of the car was 19–20 years of age.

Sometimes We introduce or increase an existing excess on renewal of any of the policies. This might be done on an individual person's policies or those covering risks at certain locations or over all locations. We generally do this

because of rising claim numbers and costs and to minimise any increase in premium that would otherwise be required to cover those rising claim numbers and costs.

Excess (Your contribution)

An excess is the amount which You will be required to contribute to any claim on a policy. The amount We must pay under any of the policies is reduced by the amount of the excess. You will only be required to pay an excess if it is mentioned in the policy You have taken out or shown on the Certificate of Insurance.

Where the excess for an event selected or imposed on the Certificate of Insurance is higher than the amount of excess mentioned in the policy for that same event, You will be required to pay that higher excess specified in the Certificate of Insurance.

Except in the case of Our Motor vehicle policy, You will only be required to pay one excess on claims You make under a number of the policies in this Plan that arise out of the one event, being the highest one payable under the policies.

Utmost good faith

The law requires each of Us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

The policies in this Plan are governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

Good and Services Tax (GST)

The amount of premium payable by You for the policies includes an amount on account of the GST on the premium.

All amounts insured by the policies are in accordance with the advice You have given to Us regarding your GST status and the GST status of items to be insured.

We will not be liable to pay any GST, or any fine, penalty or charge that You are liable for arising out of Your misrepresentation of, or failure to disclose, Your proper input tax credit entitlement on the premium relating to the policies.

In respect of Your policies with Us where You are registered for GST purposes, You should calculate Your proposed sums insured with reference to the GST status of each item of property to be insured.

Depending on the GST status of each item of property to be insured, the sums insured may or may not include a GST component. An amount for GST should only be included in the sum insured if the item of property to be insured is not used 100% for business use. All items of property used 100% for business use and for which You are or would be entitled to a full input tax credit should be insured on a GST exclusive basis.

This outline of the effect of the GST on Your policies is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

How GST affects claim payments

Where We insure Your property

If We arrange to replace, repair or reinstate an item which is the subject of a claim, We will pay the cost to replace, reinstate or repair the item inclusive of GST. However, We will not replace, reinstate or repair an item where the cost (inclusive of GST) to Us to do so will exceed the amount of the relevant sum insured or other limit of insurance cover in the policies that apply to the item.

If We settle Your claim by making a payment to You, or on Your behalf, Your GST status and the GST status of the property which is the subject of the claim, will determine the amount We pay. When You are:

- not registered for GST, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used 100% for business use and is property for which You are or would be entitled to a full input tax credit, the amount We pay is exclusive of any relevant GST component, including, but not limited to, any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or to which You would have been entitled were You to have made a relevant acquisition.

The maximum amount We pay is the sum insured or other limit of insurance cover exclusive of any relevant GST component

- registered for GST and the property which is the subject of the claim is used 100% for personal use, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component

- registered for GST and the property which is the subject of the claim is used for business and personal use, the amount We pay is inclusive of any relevant GST component with reference to the percentage of personal use and exclusive of any relevant GST component with reference to the percentage of business use of the item that is the subject of the claim.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive or exclusive of GST as the case may be.

You must advise Us of Your correct entitlement to an input tax credit on Your premium and the correct entitlement to an input tax credit on each item of property to be insured. Should the item of property which is the subject of the claim be used for both personal and business use, any amounts We pay will be determined in accordance with the percentage of personal and business use.

Any GST liability arising from Your incorrect advice is payable by You.

Where We insure Your liability to third parties

We pay up to the limit of indemnity shown on the Certificate of Insurance inclusive of GST.

Terrorism Insurance Act 2003 (Cth)

These policies exclude cover for losses as a result of an Act of Terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then You may be afforded protection within the limits of indemnity of this policy by virtue of the *Terrorism Insurance Act 2003 (Cth)*. The operation of this Act may also serve to reduce the settlement of Your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the *Terrorism Insurance Act 2003 (Cth)* can be obtained at www.arpc.gov.au.

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured property

To help Us to process any claim You may have, You should take reasonable steps to keep a record or evidence of ownership, value and detailed description of any insured property in a safe place. We also recommend You keep Your valuations up to date.

This includes contracts of sale, valuations, receipts, credit card and bank statements, instruction manuals or photographs. Failure to take reasonable steps to keep a record or evidence of ownership, value and detailed description of all Livestock and Farm Property may result in a reduction or denial of Your claim.

Changing the terms of any of Your policies

You may ask Us to change a term of any of Your policies. If We agree, We will confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You may cancel Your policies by notifying Us in writing within 30 days of You receiving the

Certificate of Insurance that You wish to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will refund the premium You paid to Us.

You still have cancellation rights after this cooling-off period ends and these rights are set out below in 'When You can cancel'.

When You can cancel

You can cancel a policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

If You pay Your premium by instalment, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

However, if You have made a claim or are entitled to make one under the policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You; and
- if the policy is paid by instalments, all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

We do not refund premium if the Certificate of Insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the *Insurance Contracts Act 1984 (Cth)*. We give You a notice in writing.

If We cancel and You paid an annual premium, We will refund the premium less an amount to cover the period for which You were insured.

If We cancel and You pay Your premium by instalments, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

Instalment policies

Premium payment

You can pay Your premium in monthly, quarterly or half-yearly instalments. You can pay by direct debit from an account or credit card that You nominate.

If Your policy is paid by instalments, You authorise Us to deduct amounts by direct debit from the account or credit card You have nominated to pay instalments. This includes deduction of any unpaid instalments and remaining instalments in the circumstances specified in this PDS. You must ensure that You have the authority to use the nominated account or credit card and it is Your responsibility to ensure that sufficient funds are in the nominated account or credit card to meet each instalment.

Consequences of an unpaid instalment

An unpaid instalment is an instalment that is due but cannot be deducted from Your nominated account or credit card. This may occur where an instalment payment is dishonoured, rejected, not received or otherwise unable to be deducted from Your nominated account or credit card.

You need to pay Your annual premium or any instalments by the due date specified on Your Certificate of Insurance. An instalment is unpaid if it cannot be deducted from Your nominated account or credit card.

If Your instalment is overdue, We will send You a notice outlining the overdue amount and when it needs to be paid. If Your instalment remains unpaid after the time period specified in the notice, We will:

- a. cancel Your policy for non-payment; and
- b. refuse to pay any claim for an incident occurring after the cancellation date.

We will send You a second notice either before cancelling informing You of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If You need to make a claim when Your Policy is overdue, and before Your Policy has been cancelled for non-payment, We will require You to pay the overdue amount as part of the claim settlement process.

Remaining instalments

If Your insurance ceases as a result of a claim, such as a total loss, then We will deduct from the amount We pay to You for Your claim the total of the remaining instalments for the Period of Insurance as if the policy had continued.

If You cancel Your policy and have made a claim or are entitled to make a claim under the policy, then all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

If You appoint a broker, then all the remaining instalments for the Period of Insurance are payable as different arrangements apply.

At renewal

Instalments on renewed policies will continue to be deducted at the same frequency and from the same nominated account or credit card. The instalment amount will be different as it will be based on the premium for the renewed policy.

Changing Your payment details

If You want to change Your nominated account or credit card, You must contact Us at least 14 days before Your next instalment is due.

If You do not provide such notification before the happening of an event giving rise to a claim under this policy then, subject to the Insurance Contracts Act, 1984, We may refuse to pay a claim, either in whole or in part. The course of action We take when You fail to provide such notification will be considered in each circumstance based on what impact or effect Your failure

- if You take out any other insurance which covers any insured property or liability insured by any of the policies We issue to You

What can affect Your entitlements

We may decline or reduce the amount of any claim under this policy for loss, damage or liability, or refuse to indemnify You, if You enter into, or have entered (even before this contract of insurance) into an agreement, release or undertaking which excludes or limits Our right to recover damages or a contribution from any third party who would otherwise be liable to compensate You with respect to such loss, damage or liability unless such agreement, release, or undertaking has been allowed in this policy or by specific mention in Your Certificate of Insurance.

If You do not do what You are obliged to do under Your policy and such failure to comply with Your policy contributes to the loss, damage or liability, We may refuse to pay a claim or any part of it. The course of action We take when You fail to comply will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your Policy.

What We may do

- take over and conduct in Your name the defence or settlement of any claim against You. We have sole discretion in how the defence is conducted or a claim is settled
- represent You at an inquest or official enquiry.

What We pay if Property is damaged or stolen

Property (other than Stock)

There are two methods of calculating the amount payable for a claim. These methods are 'Indemnity' and 'Replacement'. The method of claim payment calculation that You are covered for is shown on the Certificate of Insurance for the Property insured under this policy.

Indemnity

This is what We will pay if 'Indemnity' is shown on the Certificate of Insurance for Property (other than Stock).

If Property (other than Stock) is damaged and 'Indemnity' is shown on the Certificate of Insurance, We will replace, reinstate or repair the part of the Property that is damaged as far as possible to the condition it was in immediately before it was damaged, using materials that are readily available in Australia. Or, at Our option, We will pay You the reasonable cost to do so. Our choice will have regard to the circumstances

of Your claim and consider any preference You may have.

If a building or structure insured under this policy is destroyed or stolen, We will pay the cost to erect a new building or structure to the same design and specification as the destroyed or stolen building or structure.

If Property (other than Stock, a building or a structure) is destroyed or stolen, We will pay what it would cost to replace it at the time it was destroyed or stolen.

We will deduct a reasonable amount for age, wear, tear and depreciation of the building, structure or item whether the building, structure or item of insured Property is destroyed or stolen.

Replacement

This is what We will pay if 'Replacement' is shown on the Certificate of Insurance for Property (other than Stock).

If Property (other than Stock) is damaged and 'Replacement' is shown on the Certificate of Insurance, We will replace, reinstate or repair the part of the building, structure or item of Property that is damaged as far as possible to its original condition, using materials that are readily available in Australia. Or, at Our option, We will pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If a building or structure insured under this policy is destroyed or stolen We will pay the cost to erect a new building or structure to the same design and specification as the destroyed or stolen building or structure.

If Property (other than Stock, a building or structure) is destroyed or stolen We will pay to replace it as new at the time it was destroyed or stolen.

Stock

If an item of Stock is destroyed or stolen, We pay the wholesale cost to replace the Stock at the time it was destroyed or stolen.

If an item of Stock is damaged, We replace, reinstate or repair the part of the Stock that is damaged as far as possible to the condition it was in immediately before it was damaged, using materials that are readily available in Australia. Or, at Our option, We pay You the reasonable

cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

All Property

You are only insured for reinstatement, replacement or repair of a wall, ceiling or fixed floor covering which is damaged in the rooms where the damage occurred.

Limits on what We pay

Limits on what We pay

For:

- Damage to Property, We pay up to the sum insured shown on the Certificate of Insurance for 'Property'
- burglary or theft of Property (but not theft by an Employee), We pay up to the sum insured shown on the Certificate of Insurance for 'Burglary or theft'
- theft of Property or Money by an Employee, We pay up to the sum insured shown on the Certificate of Insurance for 'Employee theft'
- loss or destruction of Money (but not theft by an Employee), We pay up to the sum insured shown on the Certificate of Insurance for 'Money'.

Sub-limit on what We pay for an antique, heirloom, picture, painting, tapestry, work of art, curio, medal, trophy, coin or collection

If an antique, heirloom, picture, painting, tapestry, work of art, curio, medal, trophy, coin or collection which is damaged, destroyed or stolen falls within the description contained in one of the first three bullet points under the sub-heading above 'Limits on what We pay', We pay up to \$20,000 for the value of any one item at the time it is damaged, destroyed or stolen up to an aggregate of \$20,000 for all claims arising out of the one event.

Where You make a claim in relation to an item which forms part of a pair, collection, or set:

- We will pay the value of that one item, and We will not pay more than the value of that lost, destroyed, or damaged item as a proportion of the combined pair, collection or set; however
- If the entire pair, suite, or set is completely inoperable because

of the loss or damage to a single item which cannot be replaced (or a single replacement item does not complete the pair, collection, or set to make it operational – for example hearing aids) We will either pay You the cost to replace the entire pair, collection, or set or replace the entire pair, collection, or set.

This sub-limit is included in the sum insured described in the relevant bullet point.

Aggregate limit on what We pay

We only pay up to the sum insured shown on the Certificate of Insurance for 'Property' for all claims arising out of the one event.

Additional benefits

The following additional benefits are in addition to the sum insured shown for 'Property' on the Certificate of Insurance.

Costs

If We have paid or agreed to pay a claim for damage to Property We pay up to the greater of \$25,000 or the amount shown on the Certificate of Insurance, for each of the below towards the following costs You reasonably incur as a consequence of that damage for all claims arising out of the one event:

- demolition, clearing debris and any necessary temporary repairs at or adjoining the Business Premises
- architects', surveyors', government and legal fees
- extinguishing fires at or adjoining the Business Premises, including Your Employees' wages and the cost to replenish Your fire fighting equipment
- the restoration of Business records and books of account, including documents in temporary storage or in bulk storage
- temporary shuttering, boarding up or other protection necessary to safeguard the Business Premises
- repairing or replacing tinting, alarm tape, alarm wiring, window frames, show case frames, signwriting, ornamentation, sandblasting or embossing
- replacement of deeds and documents, including the discharge of any mortgage on the Property.

It is important that You keep and maintain proper Business records.

It is also important that the sum insured You select for these costs is adequate for each of them because this insurance is not included in the policy or the sum insured You take for 'Property'.

Customers' property

This policy is extended to insure customers' property (but not cash or cheques) in Your physical or legal possession, custody or control for the purpose of repair, service, maintenance or storage in connection with the Business.

You are only entitled to this benefit if:

- You are not legally liable to the customer for the loss or damage to the customers' property; and
- the customer's property is Accidentally damaged or stolen during the Period of Insurance at the Business Premises, at the customer's premises or at a place in Australia where You have temporarily stored the customer's property; and
- We would have paid the claim under this policy if the property had belonged to You.

We pay up to the lesser of \$5,000 or the amount We would have paid if the property had belonged to You, for all claims arising out of the one event.

Employees', directors' or partners' business tools and equipment and personal effects

We pay up to \$5,000 to repair or replace the business tools, equipment and personal effects of an Employee, director or partner of the Business Accidentally damaged at or stolen from the Business Premises during the Period of Insurance.

We pay a claim for this benefit only if We would have paid the claim if the items damaged or stolen had belonged to You.

Escape of liquid

If liquid overflows, leaks or bursts from a fixed system at the Business Premises during the Period of Insurance and damages, or is likely to damage insured Property, We pay for the reasonable:

- cost You incur to investigate the cause of damage or likely damage

- expenses You incur to have a fire brigade attend for the purpose of shutting off the water supply following Accidental discharge of water from an automatic sprinkler or drencher system or the cost to remove such water or the cleaning operations incidental thereto.

We pay up to \$25,000 for this benefit.

We do not pay:

- to repair or replace any faulty part identified during the investigation (but We pay the cost to repair any damage directly caused by the investigation)
- the cost to clean up any pollutant material which has gone beyond the boundaries of the Business Premises or which has entered the public drainage system or any creek or waterway.

Landscaping

We pay up to \$10,000 for damage directly caused by fire, lightning, explosion, earthquake, subterranean fire or volcanic eruption, burglars or thieves, riot or civil commotion, vandalism or impact to landscaping (including trees, shrubs, plants, turf, grass and lawn) occurring at the Business Premises during the Period of Insurance.

This benefit is otherwise subject to the terms of this policy.

Replacement keys and locks

If We have paid or agreed to pay a claim for burglary or theft under this policy and keys were stolen or an alarm system breached during that burglary or theft, We pay to replace the keys, and the locks they fit with keys and locks of a similar make and model and to recode alarms.

We pay up to \$5,000 for this benefit.

The following additional benefits are included in the sum insured shown for 'Property' on the Certificate of Insurance.

Alterations or additions

While You are altering or adding to an insured building or structure, this policy insures You against damage to the alteration or addition but only if:

- the contract value (inclusive of labour, materials, all taxes including GST specified in the contract and any variations to the contract) for the alteration or addition is \$100,000 or less; and

- when the damage occurs, the work on the alteration or addition has been in progress for less than three months; and
- the damage is directly caused by:
 - violent wind (but not by rain, hail or snow accompanying the violent wind)
 - fire, explosion, lightning, earthquake, riot, civil commotion or impact by vehicles, aircraft or aerial devices,occurring during the Period of Insurance.

All other cover and benefits apply to the alterations or additions when they are finished.

This benefit is otherwise subject to the terms of this policy.

If You are having alterations or additions undertaken, You may want to insure the building materials because this policy does not insure them until they become a part of the structure of the building or structure.

Once You have finished the alterations or additions, We suggest You review the amount of insurance You have. It may no longer be sufficient.

Compensation for reduced floor space

If We have paid or agreed to pay a claim to replace or reinstate a building or structure and a government or statutory authority prevents You from fully replacing or reinstating the building or structure and this results in the reduction of the floor space of the building or structure then, in addition to any amount payable to replace or reinstate the building or structure, We pay You the difference between:

- the actual reasonable costs You incur to replace or reinstate with reduced floor space; and
- the estimated reasonable cost to fully replace or reinstate the building or structure at the time it was damaged.

We pay up to \$100,000 for this benefit.

Costs connected with rebuilding

If We have paid or agreed to pay a claim to replace or reinstate a building or structure, We also pay for any extra costs to comply with the requirements of a public authority but not the costs for any work You were required to do before the damage happened.

We only pay this cost if:

- We have approved it before You incur it; and
- You carry out the work to replace or reinstate within a reasonable time.

Temporary removal

This policy extends to insure You against Accidental damage to or theft of Property during the Period of Insurance:

- temporarily stored at any other premises in Australia; or
- in Transit between the Business Premises and any other premises in Australia at which the Property is intended to be or was temporarily stored.

You are not insured under this benefit if at the time:

- of the damage or theft, You intended to sell the Property at or from the other premises; or
- the Property left the Business Premises, You had sold or agreed to sell it; or
- the Property is being stored in the open air; or
- of the theft, the theft was from a vehicle and was not a direct result of forcible or violent entry of the vehicle.

We pay up to the lesser of:

- 30% of the sum insured shown on the Certificate of Insurance for 'Property'; or
- what We would have paid if the damage to or theft of the Property had occurred at the Business Premises.

This benefit is included in the sum insured shown on the Certificate of Insurance for 'Property'.

You can request insurance cover which includes Accidental loss by specifying particular items of Property under Our General property policy in this Plan.

Catastrophe escalation cost

If We have paid or agreed to pay a claim under this policy for Damage to Property that is a consequence of a Catastrophe, We will pay up to an additional 20% of the sum insured shown on the Certificate of Insurance for Property which relates to a building or structure towards the additional costs incurred in rebuilding or reinstating the building or structure

that can be directly attributed to increases in the price of services and materials as a consequence of that Catastrophe.

We only pay under this additional benefit if:

- the damaged building or structure is rebuilt at the Business Premises; and
- the Certificate of Insurance shows the Property is insured for 'Replacement'.

Scratching of glass

We pay to repair or replace external glass insured under this policy which is maliciously damaged by an act of vandalism during the Period of Insurance.

We will pay up to \$7,500 for this additional benefit for all scratching of glass during the Period of Insurance.

Tax audit

This policy extends to insure You for the reasonable and necessary audit costs You incur as a consequence of a notification received during the Period of Insurance of an audit or investigation by a federal or state Commissioner of Taxation relating to Your liability to pay income tax, fringe benefits tax, capital gains tax, wholesale and sales tax, payroll tax, goods and services tax or superannuation contributions tax in respect of Your Business up to \$5,000 or the amount shown on the Certificate of Insurance for this additional benefit (whichever is greater).

We shall not be liable under this additional benefit:

- for the imposition of any tax, fines, penalties, court costs, penalty tax or interest; or
- for costs incurred after completion of the audit or investigation; or
- where any proceedings were initiated, threatened or started prior to the commencement of the Period of Insurance; or
- for costs arising out of Your unjustified refusal or failure to comply with any lawful request made by a state or federal Commissioner of Taxation or his or her agents or employees for the production of documents or the supply of information; or

- for costs arising out of audits or investigations under customs legislation; or
- for costs arising out of audits or investigations of income received or earned, or where the source of income is, outside Australia or where the services giving rise to the claim are performed by Persons or entities ordinarily resident outside Australia; or
- arising out of any fraud or fraudulent act or omission committed by You or on Your behalf or by Your agent or Employee; or
- for costs arising out of audits or investigations which result in You, or any person acting on Your behalf, becoming aware of any error or deficiency in any return of income or other documentation supplied to a state or federal Commissioner of Taxation and You or Your agent failed to notify the Commissioner of Taxation without delay on becoming so aware of the error or deficiency.

This additional benefit is subject to the following conditions:

- You must lodge taxation and other returns within the time limits applicable to those returns as prescribed by statute or through extension of time granted by a Commissioner of Taxation; and
- You must make full and complete disclosure of all assessable income (including capital gains), as required by any relevant legislation; and
- in the event of a claim arising:
 - You must keep Us fully informed of all material developments in relation to the claim and in relation to any audit; and
 - You must take all necessary and reasonable steps to minimise any delays and the amount of any costs incurred or likely to be incurred in connection with any audit; and
 - We or Our duly appointed agent may make Our own investigation into any matter which is or may be the subject of a claim; and

- You must use reasonable endeavours to ensure that Your accountants, registered tax agent and solicitor cooperate with Us and where necessary, assist Us in relation to any claim and assist Us with any matter We wish to pursue with the Commissioner of Taxation which is or may be the subject of a claim.

We pay up to \$5,000 for the costs You incur arising out of any one audit or investigation and for the costs arising out of all audits and investigations during the Period of Insurance.

Optional benefit

Book debts

If a sum insured is shown on the Certificate of Insurance for 'Book debts', this policy is extended to insure You for an account receivable for goods or a service You provide in connection with the Business.

We pay a claim only if the records You require to collect or substantiate the account receivable have been damaged beyond use by an event for which We have paid or agreed to pay a claim under this policy.

We pay an amount based on the trend of accounts receivable in the 12 month period immediately before the damage or theft (or any lesser period if the Business has not been operating for 12 months).

We do not pay for:

- an account receivable which We consider You could collect easily or with reasonable effort
- a bad debt provision
- an account receivable which is the subject of a recovery action at the time of the damage or theft
- collection fees
- recovery costs.

We pay up to the sum insured shown on the Certificate of Insurance for 'Book debts' for all claims arising out of the one event.

Flood cover

If 'Flood Insured' is shown on the Certificate of Insurance as an Optional benefit under the Business property policy, Your Business property policy insures You against damage to Property at the Business Premises caused directly by Flood occurring during the Period of Insurance.

An excess of \$1,000 applies to all claims arising during any one 72-hour period for damage caused by Flood.

The exclusion for Flood in the section 'What is not insured' does not apply to claims under this Optional benefit.

The maximum We will pay under this Optional benefit for any one event is limited to the sum insured shown on the Certificate of Insurance for 'Flood'.

An excess of \$1,000 applies to all claims arising during any one 72-hour period for damage caused by Flood.

The exclusion for Flood in the section 'What is not insured' does not apply to claims under this Optional benefit.

Special conditions

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

- less than the sum insured for a claim for that item, We reinstate the sum insured unless We told You when the claim was settled that the sum insured would only be reinstated if You paid the additional premium and accepted any additional conditions We required
- the amount of the sum insured for a claim for that item, the sum insured is not reinstated.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

Unoccupied Business Premises

This policy does not provide any insurance if at the time the loss or damage occurs, the Business Premises are unoccupied and have been so unoccupied for at least 90 consecutive days before the loss or damage unless:

- You tell Us before the 90 days begin and We agree to continue to insure You under this policy; and

What You are insured against

This policy insures You against loss of Gross Profit due to a reduction in Turnover as a consequence of interruption to the Business that commences during the Period of Insurance as a result of damage to or theft of property:

- used by the Business at the Business Premises; and
- occurring during the Period of Insurance.

You are only insured under this policy if:

- We have paid or agreed to pay a claim for the damage to or theft of the property under Our Business property policy in this Plan; or
- We would have agreed to pay a claim for the damage to or theft of the property had that property been insured under Our Business property policy in this Plan.

What is not insured

This policy does not insure You against any loss or that part of any loss which occurs:

1 after:

- the elapse of the number of months shown on the Certificate of Insurance as the 'Indemnity period', calculated from the date on which the damage to or theft of property occurred
- You formally decide to close or discontinue the Business, or that part of the Business directly affected by the damage to or theft of property
- a receiver or liquidator is appointed to carry on the Business
- the Business is commenced to be wound up.

2 as a result of breach of contract.

What We pay

When We pay in accordance with the first formula

We pay in accordance with the first formula in the column to the right if:

- the interruption totally or substantially prevents You from operating the Business for at least one day but no more than three months; and

- within 21 days of the date on which the interruption first totally or substantially prevents You from operating the Business, You notify Us in writing that You elect to be paid in accordance with the first formula.

First formula

$$\frac{A \times C}{B}$$

Where:

- A is the period (in months or parts of a month) the Business is totally or substantially interrupted, not exceeding three months
- B is the number of months shown on the Certificate of Insurance as the 'Indemnity period'
- C is the sum insured shown on the Certificate of Insurance for 'Loss of Gross Profit'

e.g. the Business is totally or substantially interrupted for 2.5 months. 6 months is shown on the Certificate of Insurance as the 'Indemnity period' and \$120,000 as the sum insured.

Therefore A=2.5, B=6 and C=\$120,000

$$\frac{2.5 \times \$120,000}{6} = \$50,000$$

When We pay in accordance with the second formula

We pay in accordance with the second formula in the column to the right if:

- the first formula does not apply
- the first formula applies but You do not elect to be paid in accordance with the first formula within the 21 day period.

If the interruption totally or substantially prevents You from operating the Business for more than three months but You elected to be paid in accordance with the first formula within the 21 day period, then:

- We will pay You at least the amount that would have been payable to You if the first formula applied for the first three month period; and
- an amount paid to You by reason of Your election will be treated as an advance towards the amount payable to You in accordance with the second formula.

Second formula

The result of D minus E to the extent that the difference is due to reduction in Turnover.

Where:

- D is the Gross Profit which the Business probably would have achieved during the period of interruption if not for the interruption, not exceeding the sum insured shown on the Certificate of Insurance for 'Loss of Gross Profit'
- E is the actual Gross Profit of the Business during the period of interruption as a consequence of the interruption.

In calculating the Gross Profit which the Business probably would have achieved during the period of interruption if not for the interruption, We will have regard to the experience of the Business for a 12 month period leading up to the interruption (assuming the Business has been operating for that amount of time). So it is important to keep and maintain proper business records for that period.

If We pay in accordance with the second formula, We also pay for additional expenditure You reasonably incur for the sole purpose of avoiding or diminishing reduction in Turnover as a result of the interruption, but only up to the amount of the insured loss of Gross Profit thereby avoided.

Limits on what We pay under both the first and second formulae

We pay up to:

- the sum insured shown on the Certificate of Insurance for 'Loss of Gross Profit' as a consequence of all interruptions to the Business during the Period of Insurance or
- the amount that would have been payable had the property which was damaged or stolen been repaired, replaced or reinstated within a reasonable period.

Additional benefits We pay for a first or second formula payment

We only pay a claim for the following benefits if We would have paid a claim for the damage to the property if it had been insured under Our Business property policy in this Plan.

Commercial complexes

We treat physical damage to property of a major tenant at the complex in which the Business is located which directly results in less customers visiting the Business as if it was damage to property used by the Business at the Business Premises.

This benefit is otherwise subject to the terms of this policy.

Public utilities extension

We treat physical damage to a land based:

- electricity sub-station
- gas or water pumping station
- water or sewerage plant

located in the vicinity of the Business Premises and which provides a service to the Business as if it was damage to property used by the Business at the Business Premises.

We do not pay for any loss sustained by the Business as a consequence of that damage in the first 48 hours following the damage.

This benefit is otherwise subject to the terms of this policy.

Prevention of access to the Business Premises

We treat physical damage to property in the vicinity of the Business Premises which prevents or hinders access to the Business Premises as if it was damage to property used by the Business at the Business Premises.

This benefit is otherwise subject to the terms of this policy.

Storage sites

We treat physical damage to property in Australia used in connection with the Business which You store at a commercial storage site or at other premises which You own or lease as if it was damage to property used by the Business at the Business Premises.

This benefit is otherwise subject to the terms of this policy.

Suppliers' and customers' premises

We treat physical damage to property in Australia at:

- Your suppliers' premises;
- Your customers' premises,

as if it was damage to property used by the Business at the Business Premises.

Your 'suppliers' do not include a public utility.

This benefit is otherwise subject to the terms of this policy.

- contamination by refrigerant escaping into the cold storage compartment as a direct consequence of the Breakdown of a Machine (other than a boiler, Economiser, pressure vessel or electronic device)
- failure of a public power supply occurring outside the Business Premises but not if it is directly caused by a strike
- a Supply Authority intentionally interfering with a public or private service, but only to the extent that this is necessary to safeguard life or any part of the public supply and the Supply Authority's interference is not directly or indirectly caused by or arising out of Your failure to make a payment to the Supply Authority or to comply with a requirement of the Supply Authority for the provision of its services

- failure of a power supply directly caused by the operation of a protective device at the Business Premises.

If You would like a higher percentage or additional periods (for which an additional premium is payable) please discuss Your needs with Us.

Optional benefits

The insurance cover for Business interruption

If 'Machinery Breakdown Business interruption' is shown on the Certificate of Insurance, this policy is extended to insure You against loss of Gross Profit due to a reduction in Turnover as a consequence of interruption to the Business that commences during the Period of Insurance as a result of Breakdown of a Machine, Explosion or Collapse of a boiler, Economiser or pressure vessel or deterioration of Stock or customers' goods which occurs:

- at the Business Premises; and
- during the Period of Insurance.

We only pay a claim for this benefit if We have paid or agreed to pay a claim under this policy for the Breakdown of a Machine, the Explosion or Collapse of a boiler, Economiser or pressure vessel or the deterioration of Stock or customers' goods which caused the interruption.

This benefit is otherwise subject to the terms of this policy.

What is not insured for Business interruption

This benefit does not insure You against any loss or that part of any loss which occurs:

- after:
 - the elapse of the number of months shown on the Certificate of Insurance as the 'Indemnity period', calculated from the date on which the Breakdown, Explosion, Collapse or deterioration to the item occurred
 - You formally decide to close or discontinue the Business, or that part of the Business directly affected by the damage or theft
 - a receiver or liquidator is appointed to carry on the Business
 - the Business is commenced to be wound up
- as a result of breach of contract.

What We pay for Business interruption when We pay in accordance with the first formula

We pay in accordance with the first formula below if:

- the interruption totally or substantially prevents You from operating the Business for at least one day but no more than three months; and
- within 21 days of the date on which the interruption first totally or substantially prevents You from operating the Business, You notify Us in writing that You elect to be paid in accordance with the first formula.

First formula

$$\frac{A \times C}{B}$$

Where:

- A is the period (in months or parts of a month) the Business is totally or substantially interrupted, not exceeding three months. We then deduct the number of days shown as the 'Deductible period' on the Certificate of Insurance.
- B is the number of months shown on the Certificate of Insurance as the 'Indemnity period' for 'Machinery Breakdown Business interruption'.
- C is the sum insured shown on the Certificate of Insurance for 'Machinery Breakdown Business interruption'.

For an example of how this formula works see the example for the first formula set out in Our Business interruption policy on page 27 of this Plan.

What We pay for Business interruption when We pay in accordance with the second formula

We pay in accordance with the second formula if:

- the first formula does not apply; or
- the first formula applies but You do not elect to be paid in accordance with the first formula within the 21 day period.

If the interruption totally or substantially prevents You from operating the Business for more than three months but You elected to be paid in accordance with the first formula within the 21 day period, then:

- We will pay You at least the amount that would have been payable to You if the first formula

applied for the first three month period; and

- any amount paid to You by reason of Your election will be treated as an advance towards the amount payable to You in accordance with the second formula.

Second formula

The result of D minus E, to the extent that the difference is due to reduction in Turnover.

Where:

- D is the Gross Profit which the Business probably would have achieved during the period of interruption if not for the interruption, not exceeding the sum insured shown on the Certificate of Insurance for 'Machinery Breakdown Business interruption'
- E is the actual Gross Profit of the Business during the period of interruption as a consequence of the interruption.

In calculating the period of interruption for the purpose of D and E, We deduct the number of days shown as the 'Deductible period' on the Certificate of Insurance.

In calculating the Gross Profit which the Business probably would have achieved during the period of

interruption if not for the interruption, We will have regard to the experience of the Business for a 12 month period leading up to the interruption (assuming the Business has been operating for that amount of time). So it is important to keep and maintain proper Business records for that period.

Additional benefit for a second formula payment

If We pay in accordance with the second formula, We also pay for additional expenditure You reasonably incur for the sole purpose of avoiding or diminishing reduction in Turnover as a result of the interruption, but only up to the amount of the insured loss of Gross Profit thereby avoided.

Accountant fees

If You satisfy Us that You have a claim under this policy, We will pay the reasonable cost Your accountant charges to do work to satisfy Us of the amount of Your loss, but only up to the sum insured shown on the Certificate of Insurance for 'Accountant fees' for this policy.

Limits on what We pay for 'Machinery Breakdown Business interruption' under the first and second formulae

We only pay up to:

- the sum insured shown on the

Certificate of Insurance for 'Machinery Breakdown Business interruption' for all interruptions to the Business during the Period of Insurance

- the amount that would have been payable had repairs, reinstatement and replacement been carried out within a reasonable time.

Special condition

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

- less than that sum insured for a claim for that item, We reinstate that sum insured unless We told You when the claim was settled that the sum insured would only be reinstated if You paid an additional premium and accepted any additional conditions We required
- the amount of that sum insured for a claim for that item, the sum insured is not reinstated.

This special condition does not apply to the optional benefit 'Business interruption'.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

Special conditions for the insurance of electronic equipment

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

1 a cost You incur during an interruption to:

- alter, add to or improve an item of equipment or a system

- procure a replacement item of equipment or part from overseas
- transport an item of equipment or parts between the Business Premises and an overseas place of repair or restoration

The use of Your Vehicle for which You are insured under section 1 of this policy (if Your Vehicle is damaged or stolen) and section 2 of this policy (the insurance for legal liability)

We allow You to insure Your Vehicle for one of three uses: 'Private Use', 'Business Use' or 'Farm Use'. We tell You in the special definitions on page 53 what We mean by each of these terms.

The use for which Your Vehicle is insured is shown on the Certificate of Insurance.

What is not insured under section 1 of this policy

You are not insured under section 1 of this policy against:

- 1 **wear, tear, corrosion, rust or gradual deterioration.**
- 2 **a structural failure, mechanical, electrical, electronic or hydraulic breakdown, failure or breakage.**

When You are not insured under sections 1 and 2 of this policy

You are not insured under section 1 and section 2 of this policy while Your Vehicle:

- 1 **is being driven, towed, operated by or in the charge of a person who:**
 - did not have a licence required by law
 - was not complying with all of the terms and conditions of their licence
 - was under the influence of alcohol or a drug

If You were not the driver or the person operating or in charge of the vehicle at the time of the loss, damage or Occurrence, We will not rely on this exclusion if You can satisfy Us that at the time of the loss, damage or Occurrence You did not know and could not reasonably have known, that the driver or person operating or in charge of Your Vehicle:

- *did not have the required licence*

Section 1: what You are insured for if Your Vehicle is damaged or stolen

Comprehensive cover

If Your Vehicle is Accidentally damaged or stolen in Australia during the Period of Insurance and 'Comprehensive' is shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss and:
 - 'Private Use' and 'Agreed Value' are shown on the Certificate of Insurance, pay You the Agreed Value for Your Vehicle; or
 - 'Private Use' and 'Retail Cost' are shown on the Certificate of Insurance, pay You the Retail Cost; or
 - 'Business Use' or 'Farm Use' are shown on the Certificate of Insurance, pay You the Retail Cost up to the sum insured limit for Your Vehicle.

Our choice will have regard to the circumstances of Your Claim and consider any preference You may have.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You on the basis that Your Vehicle has been stolen;
- is a Total Loss, We are entitled to claim the wreck if We pay You:
 - the Retail Cost; or
 - the Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance

- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost, We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;
- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

Fire theft and legal liability

If Your Vehicle is Accidentally damaged by fire, damaged by a thief or stolen in Australia during the Period of Insurance and 'Fire theft and legal liability' is shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss, pay You the Retail Cost, up to the sum insured limit.

Our choice will have regard to the circumstances of Your Claim and consider any preference You may have.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You the sum insured or Retail Cost;
- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost, We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;
- is a Total Loss, We are entitled to claim the wreck if We pay You the Retail Cost;
- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it

is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

New vehicle

We replace Your Vehicle with a new vehicle of a similar make and model or at Our option, pay You what it would cost to do so if:

- Your Vehicle is stolen or is a Total Loss as a result of an insured event; and
- 'Private Use' and 'Comprehensive' are shown on the Certificate of Insurance; and
- at the time of the theft or of the damage causing the Total Loss Your Vehicle's original registration was less than two years old and it was new or a demonstration model when You purchased it; and
- the odometer reading is 35,000 kilometres or less at the time of the theft or of the damage causing the Total Loss; and
- the Agreed Value (if 'Agreed Value' is shown on the Certificate of Insurance) is at least 80% of what it would cost to buy the new vehicle (excluding the cost of registration, stamp duty, transfer fees and insurance).

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

If We pay You the cost of a new vehicle, We:

- calculate the amount We pay as if the vehicle is readily available locally; and
- do not include in the cost of the new vehicle registration, insurance or stamp duty.

If 'Agreed Value' is shown on the Certificate of Insurance and that Agreed Value is:

- more than what it would cost to buy the new vehicle; or
- less than 80% of what it would cost to buy the new vehicle,

then We will pay You the Agreed Value.

Please speak to Us if You want to insure tools which are not normally offered for sale with Your type of vehicle.

Our repair policy

We have established a network of partnered repairers. These repairers must meet Our stringent acceptance criteria which requires a high standard of repair and service.

When You use one of Our partnered repairers You do not need to shop around for quotes and We will guarantee the quality of the workmanship and materials used in the repair.

You may choose Your own repairer, but if You do, We may require You to provide two quotes for the repair of Your Vehicle, including one from a repairer of Our choice.

If Your Vehicle is at Your chosen repairer and We want to obtain an alternative quote for repairs, We may arrange to move Your Vehicle to another repairer at Our expense.

If We agree to repair Your Vehicle then We will use parts suitable for Your Vehicle's age and condition, as follows:

- in most circumstances new Original Equipment Manufacture (OEM) approved parts will be used if Your Vehicle is under three years old
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - Your Vehicle is over three years old; and
 - it does not affect the safety or the structural integrity of Your Vehicle; and
 - it complies with the applicable Australian Design Rules and Your Vehicle's manufacturer's specifications
- for Windscreens, We use parts which are compliant with Australian Design Rules.

If We have paid or agreed to pay a claim under this policy and any part for Your Vehicle is unavailable in Australia, Our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.

We will not pay an international air freight charge or an amount exceeding the manufacturer's list price for any part, unless the charge or amount is incurred with Our prior consent.

If the repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer may sublet some of the repair work to such specialist repairer or supplier.

If We authorise the repairs to Your Vehicle, We will guarantee the workmanship on the repairs authorised by Us for the life of Your Vehicle.

We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under 'Our Complaints Handling Procedure' contained within the 'Important Information applying to all policies' section of this Plan.

Additional benefits – Private Use with 'Comprehensive' cover

You have these additional benefits if 'Private Use' and 'Comprehensive' are shown on the Certificate of Insurance for Your Vehicle.

You do not have these additional benefits if a trailer, motorised caravan, mobile or motor home or motor cycle is shown as Your Vehicle on the Certificate of Insurance.

AAA rating bonus

We give You 'AAA' rating when You have insured Your Vehicle with Us under a comprehensive cover for at least two consecutive years on a full no-claim bonus and You have not made a claim for theft or an Accident involving that vehicle or a replacement vehicle where You are at fault.

If You have 'AAA' rating for Your Vehicle, You keep Your entitlement to a no-claim bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault.

In addition, if Your Vehicle becomes unusable as a result of Accidental damage or theft during the Period of Insurance, We pay up to \$1,000 in total for the reasonable:

- costs You incur to obtain transport to Your home, to Your destination or to alternative accommodation; and
- rent You incur for alternative accommodation; and
- hire costs You incur for a temporary replacement vehicle of a similar type. We do not pay

these vehicle hire costs if You are entitled to the additional benefit 'Hire costs' after Your Vehicle is stolen.

Automatic cover for replacement vehicle

If You replace Your Vehicle during the Period of Insurance, this policy will insure the replacement vehicle from its date of purchase until the end of that Period of Insurance if:

- You tell Us within 14 days of buying the replacement vehicle; and
- the value of the replacement vehicle (excluding the cost of registration, stamp duty, transfer fees and insurance) is not more than:
 - \$150,000 for any replacement vehicle except a caravan
 - \$50,000 for a caravan; and
- You pay the additional premium and accept any additional terms We require.

Hire costs

If Your Vehicle is stolen during the Period of Insurance, We pay up to \$1,000 towards the reasonable hire costs You incur for a temporary replacement vehicle of a similar type for up to 14 days or the date Your Vehicle is recovered in a useable and roadworthy condition, whichever is earlier. We do not pay for fuel, running costs or other charges.

Insurance of a hired or borrowed vehicle

If Your Vehicle is stolen or damaged and We have paid or agreed to pay a claim for it under this policy, We also insure a vehicle that You hire or borrow as a temporary replacement for up to 14 days from the date of the Accidental damage or theft, against Accidental damage or theft. We only pay a claim in respect of that vehicle if We would have paid a claim under this policy if it had been Your Vehicle.

We pay any claim on the same terms and conditions as We would for Your Vehicle, up to the:

- Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance; or
- Retail Cost if 'Retail Cost' is shown on the Certificate of Insurance.

Personal property

We pay up to \$500 for Your personal property contained in the boot or cab of Your Vehicle if during the Period of Insurance it is:

- stolen – but only if Your Vehicle was securely locked at the time of the theft
- Accidentally damaged by fire, collision or overturning of Your Vehicle.

We do not pay for loss of or damage to:

- cash; or
- goods connected with any trade, business or occupation.

Trailer

We pay up to \$1,000 for damage or loss of a two-wheel box trailer You own if it is Accidentally damaged or stolen during the Period of Insurance while attached to Your Vehicle.

You do not get this benefit if the trailer is shown as Your Vehicle on the Certificate of Insurance.

This benefit is otherwise subject to the terms of this policy.

Additional benefits – all uses with 'Comprehensive' cover

You have these additional benefits if 'Comprehensive' is shown on the Certificate of Insurance for Your Vehicle.

Emergency repairs and towing

If We have paid or agreed to pay a claim for damage to Your Vehicle, We also pay up to \$5,000 towards the reasonable cost You incur to have:

- Your Vehicle towed from the place at which it was damaged to the nearest safe or secure place or any other place that We have approved; and
- emergency repairs carried out on Your Vehicle to make it safe and roadworthy, as a result of that damage.

General average/salvage costs

This policy is extended to insure You for general average or salvage which You are charged for a loss occurring during the Period of Insurance in relation to a ship transporting Your Vehicle by sea within Australian territorial waters.

No Claim Bonus

A 'No Claim Bonus' is a discount that can be earned on eligible Comprehensive policies in recognition of a claims-free record.

Your current Certificate of Insurance will show any No Claim Bonus and any benefits that apply to Your Motor Vehicle policy.

The No Claim Bonus is calculated on each Vehicle insured under Your Motor Vehicle policy unless Your claims history does not entitle You to a No Claim Bonus.

We calculate Your No Claim Bonus rating based on:

- Your claims history, and
- number of years You have been licenced for.

Each year at renewal, Your Vehicle's No Claim Bonus is re-calculated.

If You make a claim in respect of a Vehicle and We are satisfied that You are 'at-fault', Your No Claim Bonus in respect of that vehicle will be reduced when You renew Your Motor Vehicle policy.

Your No Claim Bonus rating will increase after each claim free year until You reach Our maximum Rating 1.

You do not have to pay an excess on a claim and You do not lose Your no-claim bonus if Your Vehicle is Accidentally damaged and We are satisfied that the driver of Your Vehicle was not at fault and You provide Us with the registration number of the other vehicle and the name and contact details of its owner or driver.

The No Claim Bonus discount will not apply to the premium relating to Optional benefits, Caravan annexe and contents cover, and may not apply to some Additional benefits under this Motor Vehicle policy.

Recovery costs

If Your Vehicle is stolen during the Period of Insurance and recovered within two weeks of it being stolen, We pay up to \$500 towards the cost of returning Your Vehicle to the place where You usually keep it.

Replacement keys and locks

If during the Period of Insurance:

- a key to Your Vehicle is stolen; or
- a lock barrel of Your Vehicle is damaged by someone in

the course of them stealing or attempting to steal Your Vehicle,

We pay up to \$1,000 towards the reasonable cost You incur to replace a damaged key and lock barrel.

Signwriting costs

If Your Vehicle is:

- stolen and We have paid or agreed to pay a claim for it under this policy, We pay up to \$2,000 towards the cost You reasonably incur to apply signwriting to Your replacement vehicle to the same specification as any signwriting as originally on Your Vehicle
- damaged and We have paid or agreed to pay a claim for the damage under this policy, We pay up to \$2,000 towards the cost You reasonably incur to redo any signwriting on Your Vehicle which was damaged.

Windscreen bonus

You do not lose Your no-claim bonus for a broken Windscreen claim if:

- the Windscreen was broken by Accident; and
- the broken Windscreen is the only damage to Your Vehicle arising out of the Accident; and
- this is Your first claim for a Windscreen damaged during the Period of Insurance.

Where damage occurs that includes damage to Windscreen rain sensors or heaters which require replacement or recalibration, then damage to Windscreen is not the only damage and the Windscreen bonus does not apply.

Optional benefits for Private Use with 'Comprehensive' cover

Named drivers only

Depending on Your circumstances, We may offer to reduce Your premium if You take reduced insurance cover for Accidental damage to Your Vehicle as described in this benefit. You only have this benefit if We offer You this benefit and You accept Our offer.

If 'Named drivers only' is shown on the Certificate of Insurance, You are not insured for Accidental damage to Your Vehicle unless the person who was driving or in charge of Your Vehicle when the damage occurred:

- is named on the Certificate of Insurance as a 'Regular driver' or 'Additional driver' of Your Vehicle
- was not at fault
- was driving Your Vehicle to seek emergency medical treatment for a person in Your Vehicle
- was driving Your Vehicle in their capacity as a car park attendant
- was driving Your Vehicle in connection with repairing, servicing or testing it for reward.

This benefit is otherwise subject to the terms of this policy.

No Claim Bonus Protection

If Your Motor Vehicle policy is eligible for the 'No Claim Bonus protection' option, it will be shown on the Certificate of Insurance as an Optional benefit You have selected. You retain Your entitlement to a No Claim Bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault for the loss or damage.

You are only entitled to this benefit if:

- Your 'No Claim Bonus' is at least 60% and You do not yet have AAA rating bonus; and
- You pay Us the premium We require for this benefit.

Optional benefit for 'Comprehensive' cover – all uses

Hire car benefit

If 'Hire Car Benefit' is shown on the Certificate of Insurance and during the Period of Insurance Your Vehicle becomes unusable as a result of Accidental damage, We will pay up to \$500 towards the cost to hire a vehicle of a similar type for the earlier of 14 days from the time Your Vehicle becomes unusable, or until Your Vehicle is repaired. We do not pay for fuel, running costs or other charges.

Section 2: the insurance for legal liability

If 'Comprehensive', or 'Fire theft and legal liability', or 'Legal liability' are shown on the Certificate of Insurance, this policy insures You, and anyone driving or in charge of Your Vehicle with Your permission, against legal liability to pay compensation for Personal Injury or Damage to Property which:

- happens in Australia during the Period of Insurance; and
- is directly caused by, or by the use of, Your Vehicle; and
- arises out of an Occurrence.

What is not insured for legal liability

This policy does not insure You against liability:

1 for Personal Injury to:

- You or any member of Your Family or a person driving or in charge of Your Vehicle or any relative of that person
- a person living permanently with a person insured by this policy
- an Employee, or a worker, agent, contractor or subcontractor employed or engaged by any Person insured by this policy.

2 for Personal Injury if Your Vehicle is registered or the Person making the claim on this policy is required by law to be insured against that liability under another policy of insurance

3 arising pursuant to or in connection with an agreement in which You expressly take on a legal liability which would not have been imposed if the agreement had not been made

4 for loss of or damage to property belonging to a Person insured under this policy

5 for loss of or damage to the load or contents of:

- Your Vehicle
- any vehicle towed by Your Vehicle.

What We pay for legal liability

We pay up to the limit of indemnity shown on the Certificate of Insurance as the 'Legal liability limit'. We pay up to this amount for all claims (including all costs and expenses) arising from the one Occurrence or series of Occurrences.

Other policies

The limits described are the maximum We pay under this policy and under any other policies We issue to You in this Plan even though You may have a claim under another policy.

Additional benefits for legal liability

Damage to Your Vehicle by an uninsured vehicle

If Your Vehicle is involved in a collision with another vehicle during the Period of Insurance, We will pay for the following up to an aggregate total amount of \$5,000:

- for the repair of damage to Your Vehicle if it is not a total loss
- where Your Vehicle is a total loss, provided We are entitled to claim the wreck and any payment does not exceed the Retail Cost where this amount is less than \$5,000;
- the cost of towing Your Vehicle to the nearest safe or secure place.

We will only pay this additional benefit for legal liability if:

- 'Fire theft and legal liability' or 'Legal liability' together with 'Private Use' are shown on the Certificate of Insurance for Your Vehicle; and
- We are satisfied the driver of Your Vehicle was not to blame for the collision and You supply Us with the registration number of the other vehicle and the name and address of its owner or driver; and neither the owner nor the driver of the other vehicle is insured against their liability for the damage to Your Vehicle.

In order for Us to resolve whether You or another person was at fault, We may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that may apply to the claim circumstances. If We are unable to determine who was at fault, the excess is payable.

Other vehicles

We treat a vehicle You do not own but which is in Your legal possession, custody or control as Your Vehicle if You are using it as a temporary replacement for Your Vehicle because Your Vehicle is not in a useable condition at the time.

You have this additional benefit for legal liability if only one temporary replacement vehicle is being used at any one time in place of Your Vehicle.

Your employer or principal

This policy is extended to insure Your employer or principal against their legal liability directly caused by Your use of Your Vehicle for their business. You do not have this benefit if Your Vehicle belongs to Your employer or principal.

We only pay this benefit if We agree to indemnify You against Your legal liability incurred while You are using Your Vehicle for their business.

This benefit is otherwise subject to the terms of this policy.

Special conditions which apply to sections 1 and 2 of this policy – excesses

The excesses below apply to sections 1 and 2 of this policy.

If more than one of these excesses is applicable, then You will be required to pay all of them and also any other applicable excess shown on the Certificate of Insurance.

Excesses for young, inexperienced and other drivers

This excess is in addition to the other excesses described in this special condition.

In calculating Your premium, We take into account the age and experience of the people who will be driving, operating and in charge of Your Vehicle.

The amount of this excess is shown on the Certificate of Insurance as the 'Driver excess'. A driver excess is payable if at the time of the loss or damage or Occurrence the person driving or operating or in charge of Your Vehicle, or driving or operating or in charge of a vehicle towing Your caravan or trailer:

- is:
 - under 19 years of age
 - 19 – 20 years of age

- You are entitled to the additional benefit 'No Claim Bonus' described on page 50
- Your claim is only for damage to a Windscreen
- Your claim is only for additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 51.

Vehicle excess

The amount of this excess is shown as a 'Vehicle excess' on the Certificate of Insurance. It is payable on a claim in connection with the vehicle insured by this policy or any vehicle being used temporarily as a replacement for it.

You do not have to pay the vehicle excess if:

- You are entitled to the additional benefit 'No Claim Bonus' described on page 50
- it relates to a claim for the additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 51
- the claim against You is for damage to an underground service or underground property or loss as a result of the damage and You are not claiming for damage to Your Vehicle.

- repair or replace it; or
- pay You the reasonable cost to repair or replace it at the time of the damage or theft.

We pay the Retail Cost as New up to the sum insured shown on the Certificate of Insurance.

The types of cover We offer

We have 4 different types of insurance cover.

You have insurance for:

- an Accident if 'Accident only' is shown on the Certificate of Insurance
- an Accident that happens during leisure hours only, if 'Accident during leisure hours only' is shown on the Certificate of Insurance
- an Accident and an illness if 'Accident and illness' is shown on the Certificate of Insurance
- an Accident during leisure hours only and an illness, if 'Accident during leisure hours only and illness' is shown on the Certificate of Insurance.

The insurance You have taken out is shown on the Certificate of Insurance.

What You are insured against

Accident

If 'Accident' is shown on the Certificate of Insurance, this policy insures You against bodily injury, inability to work or death directly caused by an Accident that occurs during the Period of Insurance.

This policy only insures You if the Accident:

- causes bodily injury, inability to work or death solely and independently of any other cause; and
- is caused by violent external and visible means.

If 'Accident during leisure hours only' or 'Accident during leisure hours only and illness' is shown on the Certificate of Insurance, You are only insured if the Accident occurs during leisure hours.

Illness

If 'Accident and illness' or 'Accident during leisure hours only and illness' is shown on the Certificate of Insurance, this policy also insures You against inability to work directly caused by illness.

This policy only covers You if:

- the illness causes inability to work solely and independently of any other cause; and
- the illness was contracted during

the Period of Insurance but not within the first 28 days of the first Period of Insurance. There is no 28 day waiting period when You renew Your policy in a second or later year.

Special conditions

Attending medical appointments

You must comply with any reasonable request We make for You to attend a medical examination with a medical practitioner of Our choice if You are claiming a benefit under this policy. We will pay for the cost of any medical examinations We arrange.

Change of occupation

If You receive that compensation after We have paid You under this policy, You have to refund what We have paid You to the extent of the other compensation You receive.
